

# A JOURNEY FOR PEACE

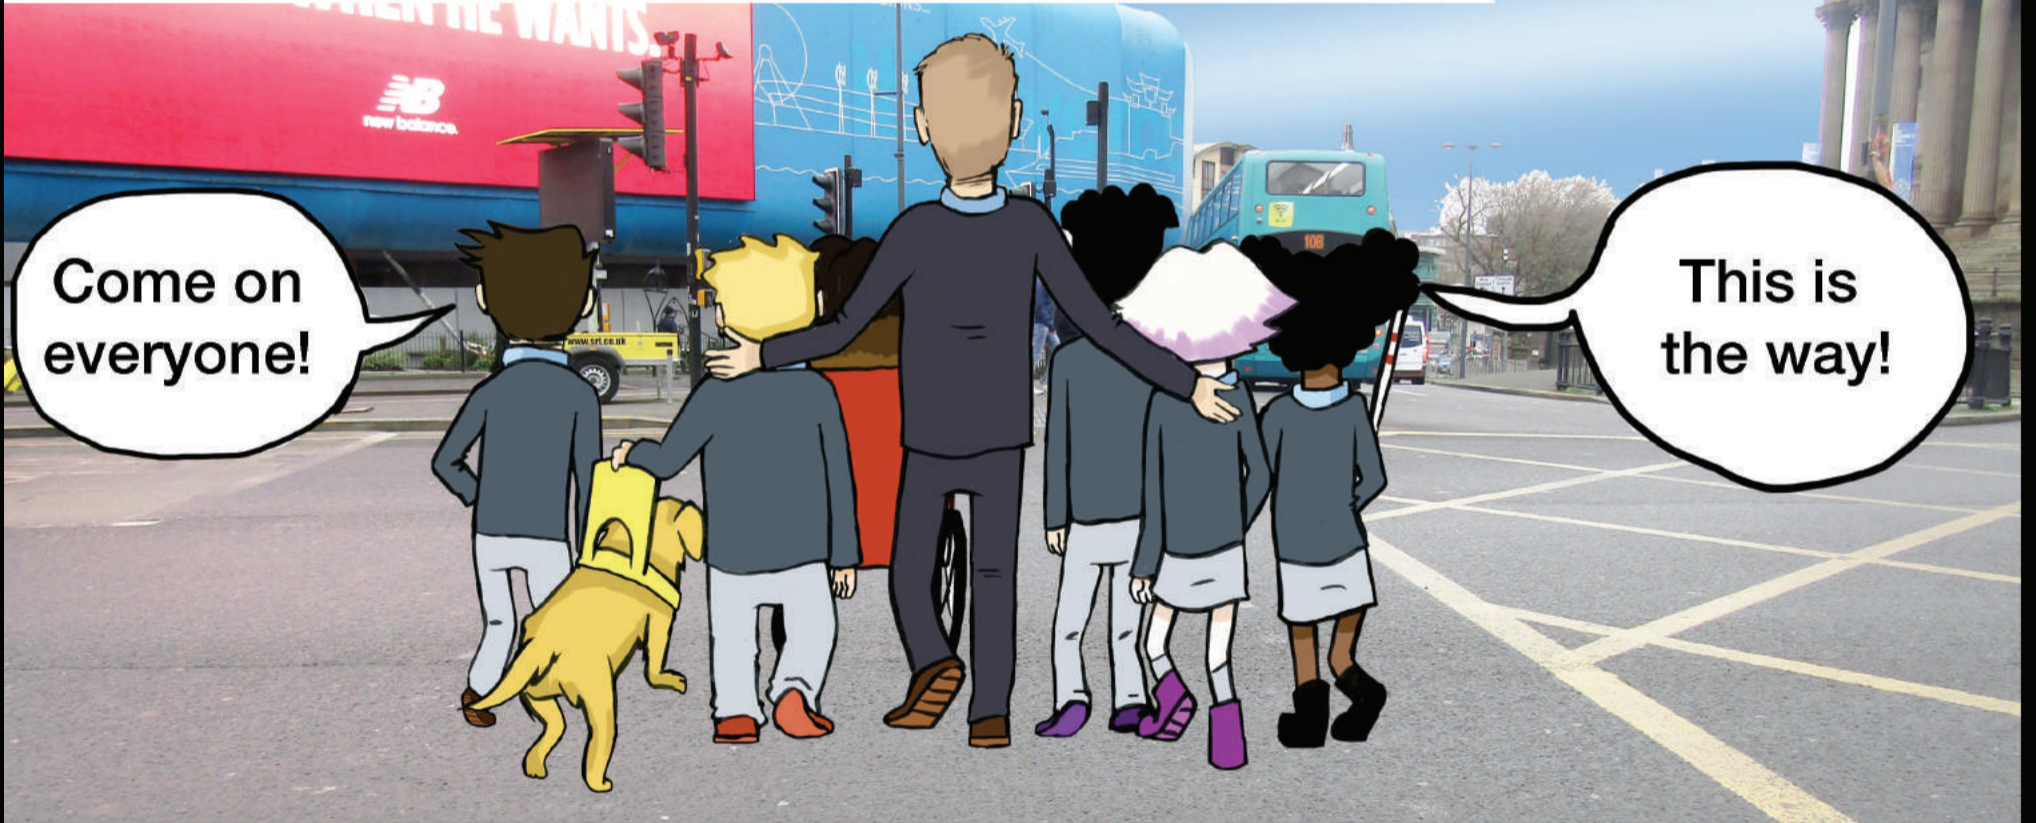

St. Vincent's  
Comic 3

To the Albert Dock!

Everyone crossed the road together, the city was suspiciously quiet...

Come on everyone!

This is the way!

Will turned the corner, and saw something was wrong...

GASP!

There was a bizarre red glow coming from the Liverbird building!

EVERYONE!  
COME QUICK!

Everyone ran to the Liverbirds and looked up together. They knew they had to get to the roof...

Sure enough, Everyone made it to the roof without a problem! The red glow was more intense up here!

SUDDENLY, One of the Liverbirds woke up and was startled at everyone on the roof!

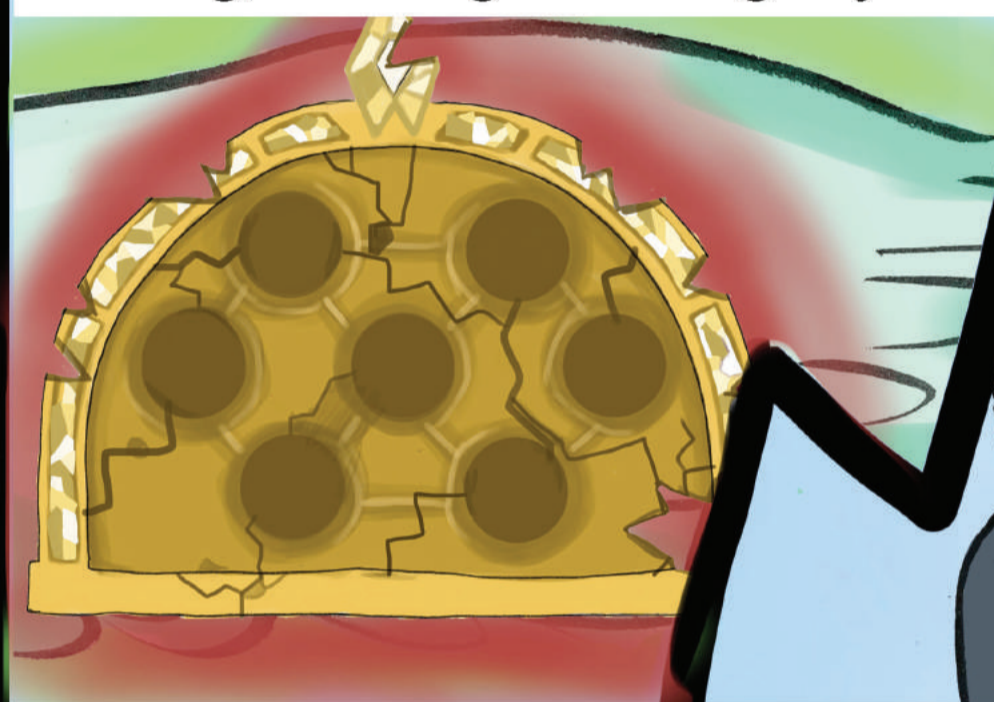

The Liverbird was incredibly distressed!

What are you doing up here?!  
Something terrible has happened,  
you need to go away! Someone  
destroyed the 'Peace Emblem!' I've  
put it back together, but I can't get  
it to work as all the keys  
are missing!

He held up the broken Peace Emblem with  
his wing, showing 7 missing keys!

WHAT?

The Emblem  
is up here?!

I can't  
believe  
this has  
happened!

Its okay! we're here to  
help you, we want to  
fix the Peace Emblem  
too! We have some of  
the keys!

You have some of the keys?!

Us Liverbirds are known for protecting the City, but part of protecting Liverpool is also making sure the 'Peace Emblem' is safe! Without the Emblem intact, Evil is more powerful and balance is lost!

**BELLA!**  
**Wake up!!**

The Liverbirds protect Liverpool?!

...Bella?  
I never knew the Liverbirds had names?

He's so upset, we need to help them!

Bella woke up yawning and stretching her wings

What is it Bertie?

Bella opened her eyes and realised something was terribly wrong!

Oh my goodness, WHAT'S HAPPENED?!

You had your back turned, thats what happened!

I had my back turned?! You had your back turned!

Well the 'Peace Emblem' Was destroyed!

Well why didn't you wake me up sooner?! & who are these people up here?

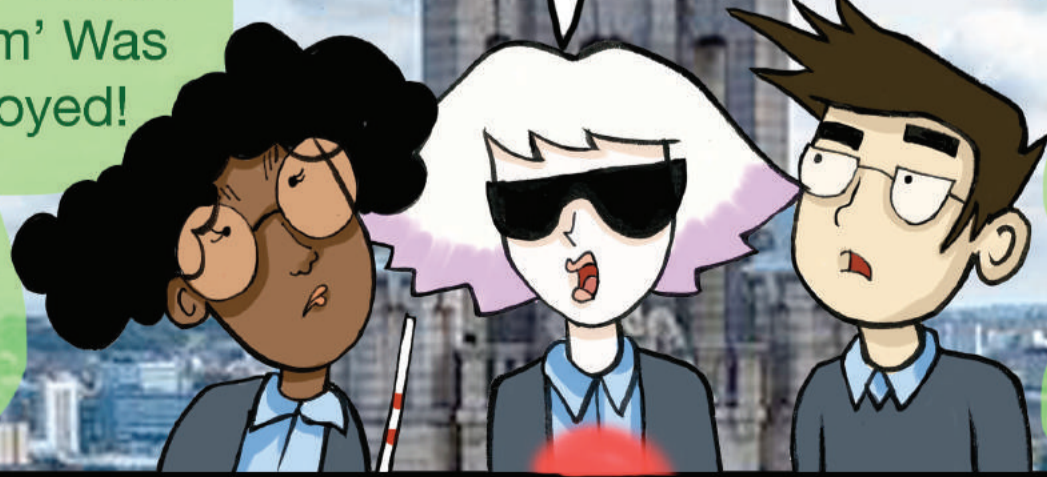

Wow, how old are these two?

They're like an old married couple!

They said they have some of the keys and they want to help!

Oh thats lovely! Have you offered them a drink?

Of course I haven't offered them a drink!

# DID YOU KNOW?

The Liverbirds are mythical creatures called Bella and Bertie and both hold a piece of seaweed in their mouth.

The Liver Bird has been a symbol of Liverpool for over 800 years. They are made out of copper and are thought to have originated in 1207 when King John was granted a Royal Charter to register Liverpool as a borough.

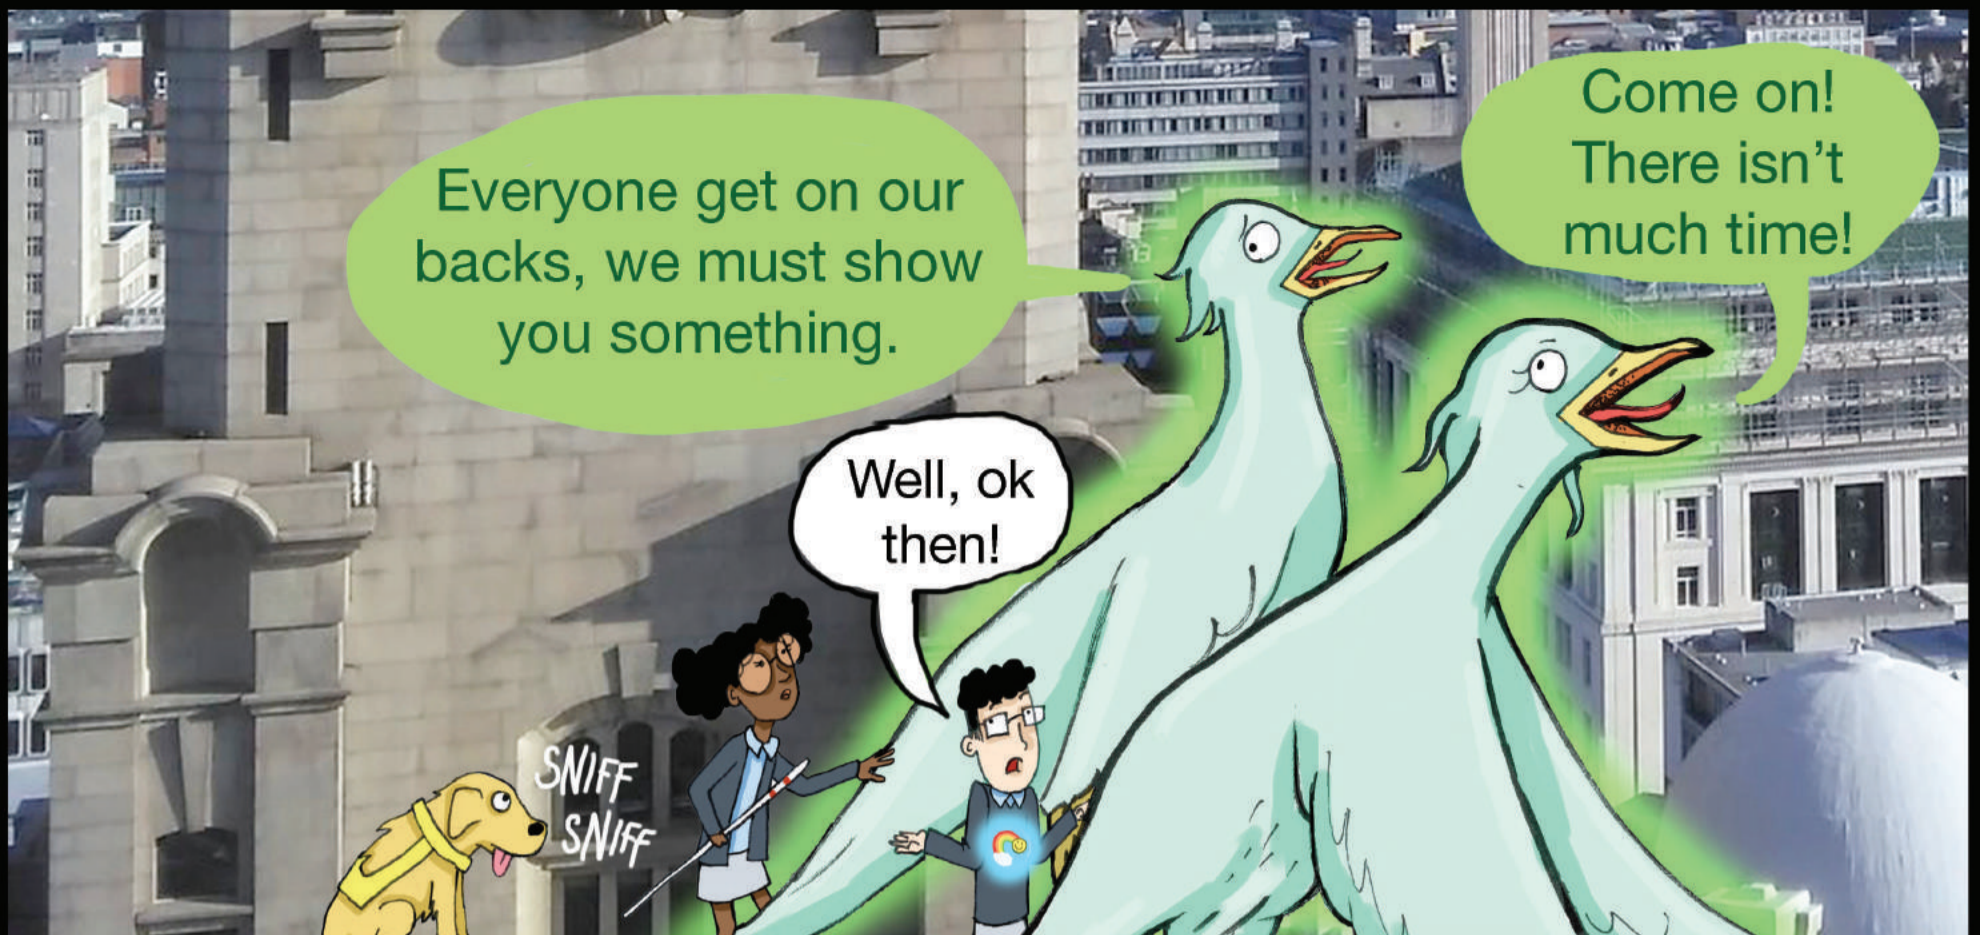

Bella looks out towards the river to protect the port, while Bertie looks over the city to protect the people of Liverpool. It is rumoured that if they were to fly away, the City would cease to exist!

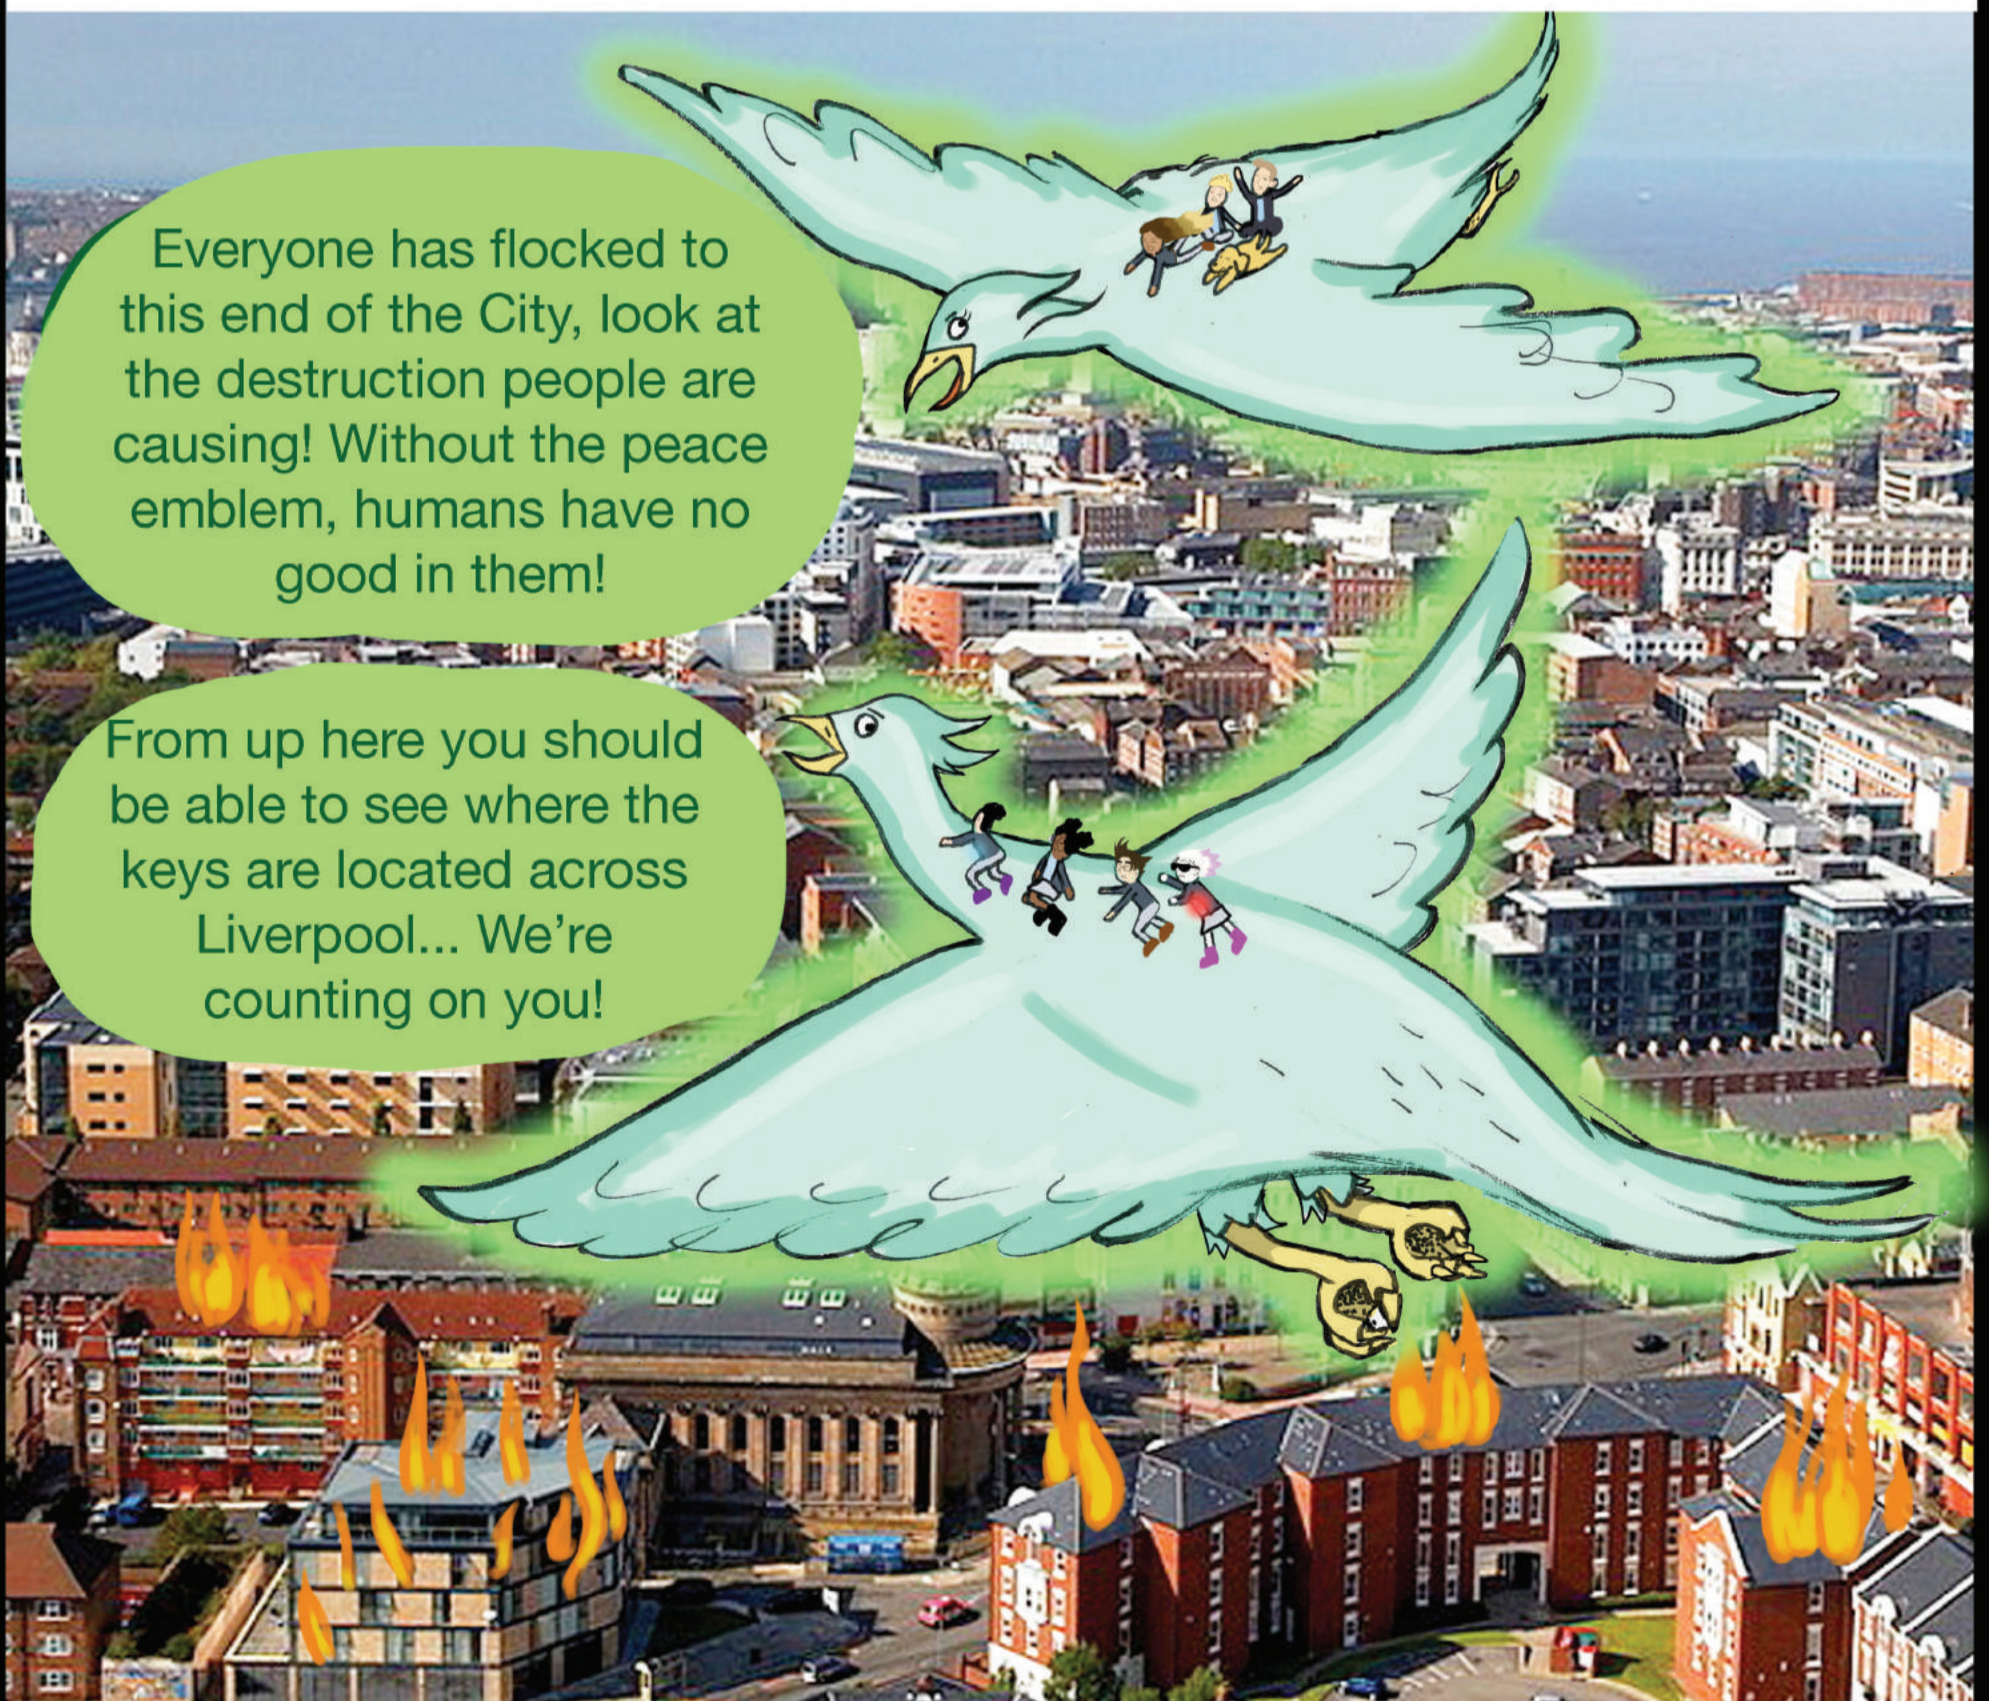

## The Liver Birds

1207 - present

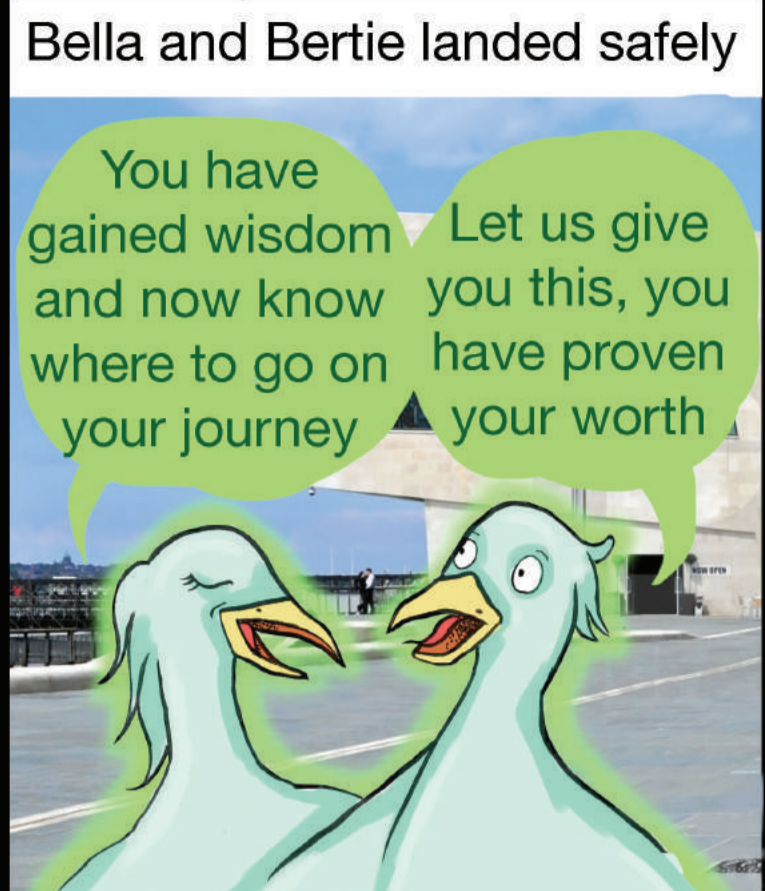

Everyone helped each other onto the Liverbirds backs, and the birds took flight to the other side of the city, revealing buildings on fire amongst other destruction

I'm king of the world!  
Also, I can see strange lights like the ones we saw at the Liverbuilding! Now we can make a map and know where to investigate!

Bella and Bertie landed safely

You have gained wisdom and now know where to go on your journey

Let us give you this, you have proven your worth

The wisdom key will help you restore the city

WOW...

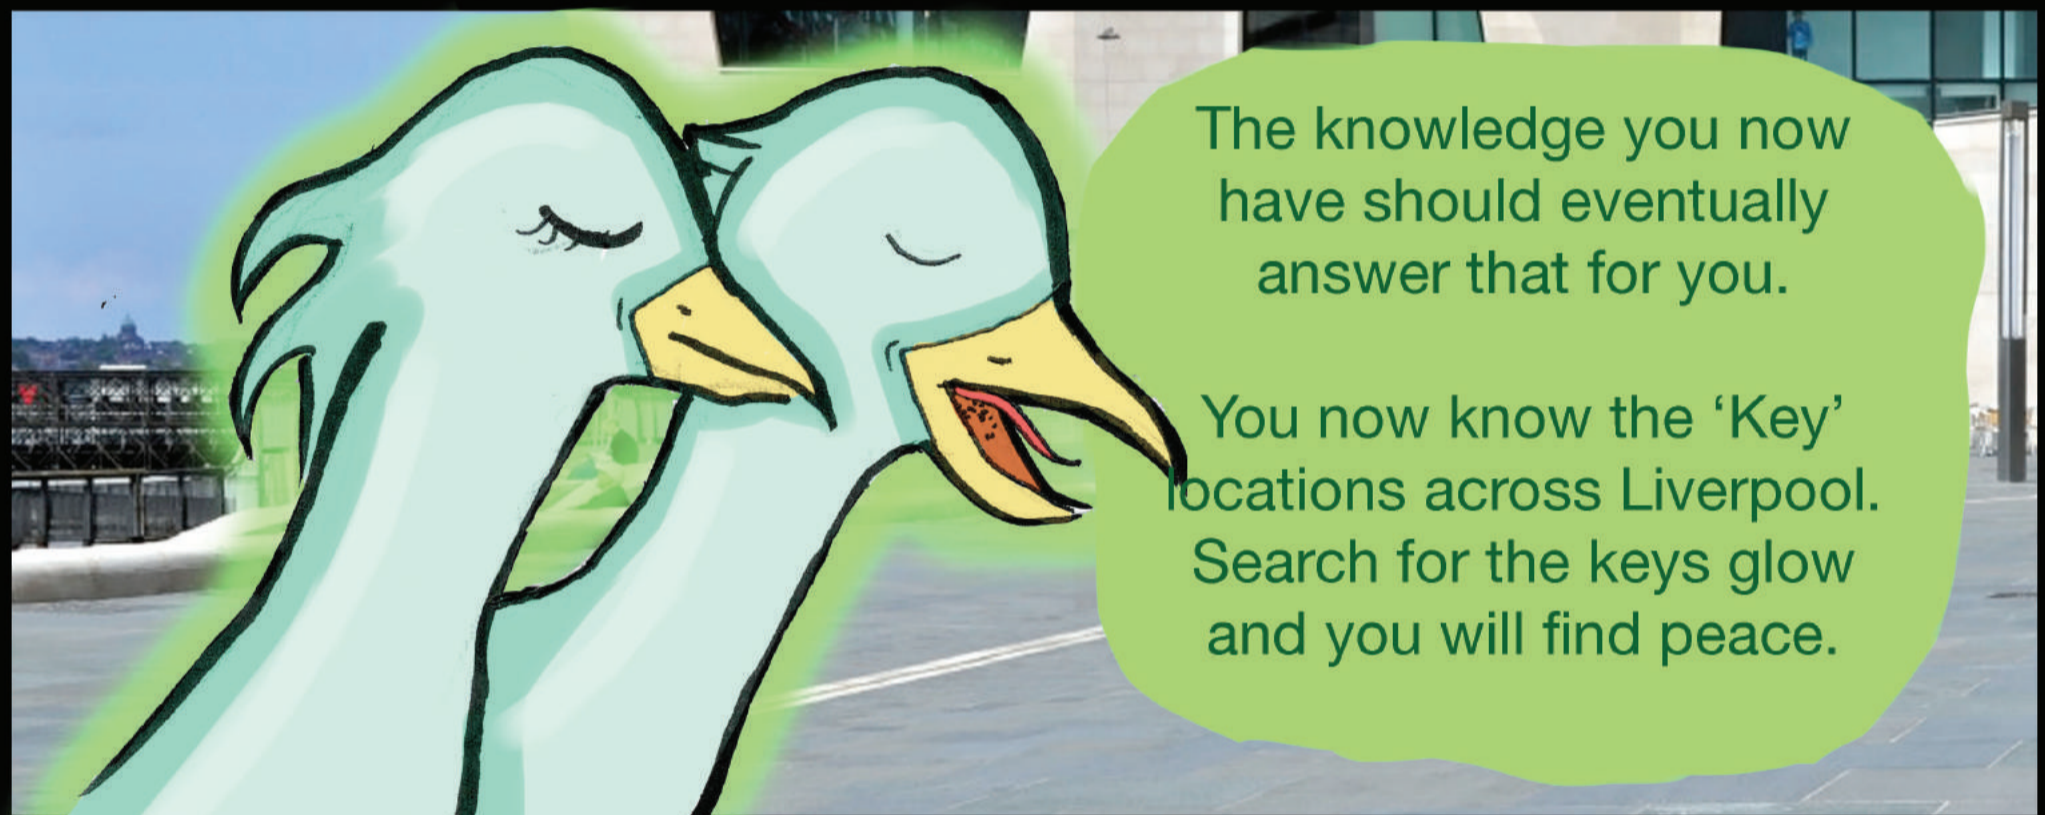

amazing...

I'll take this key, as wisdom is important to me!

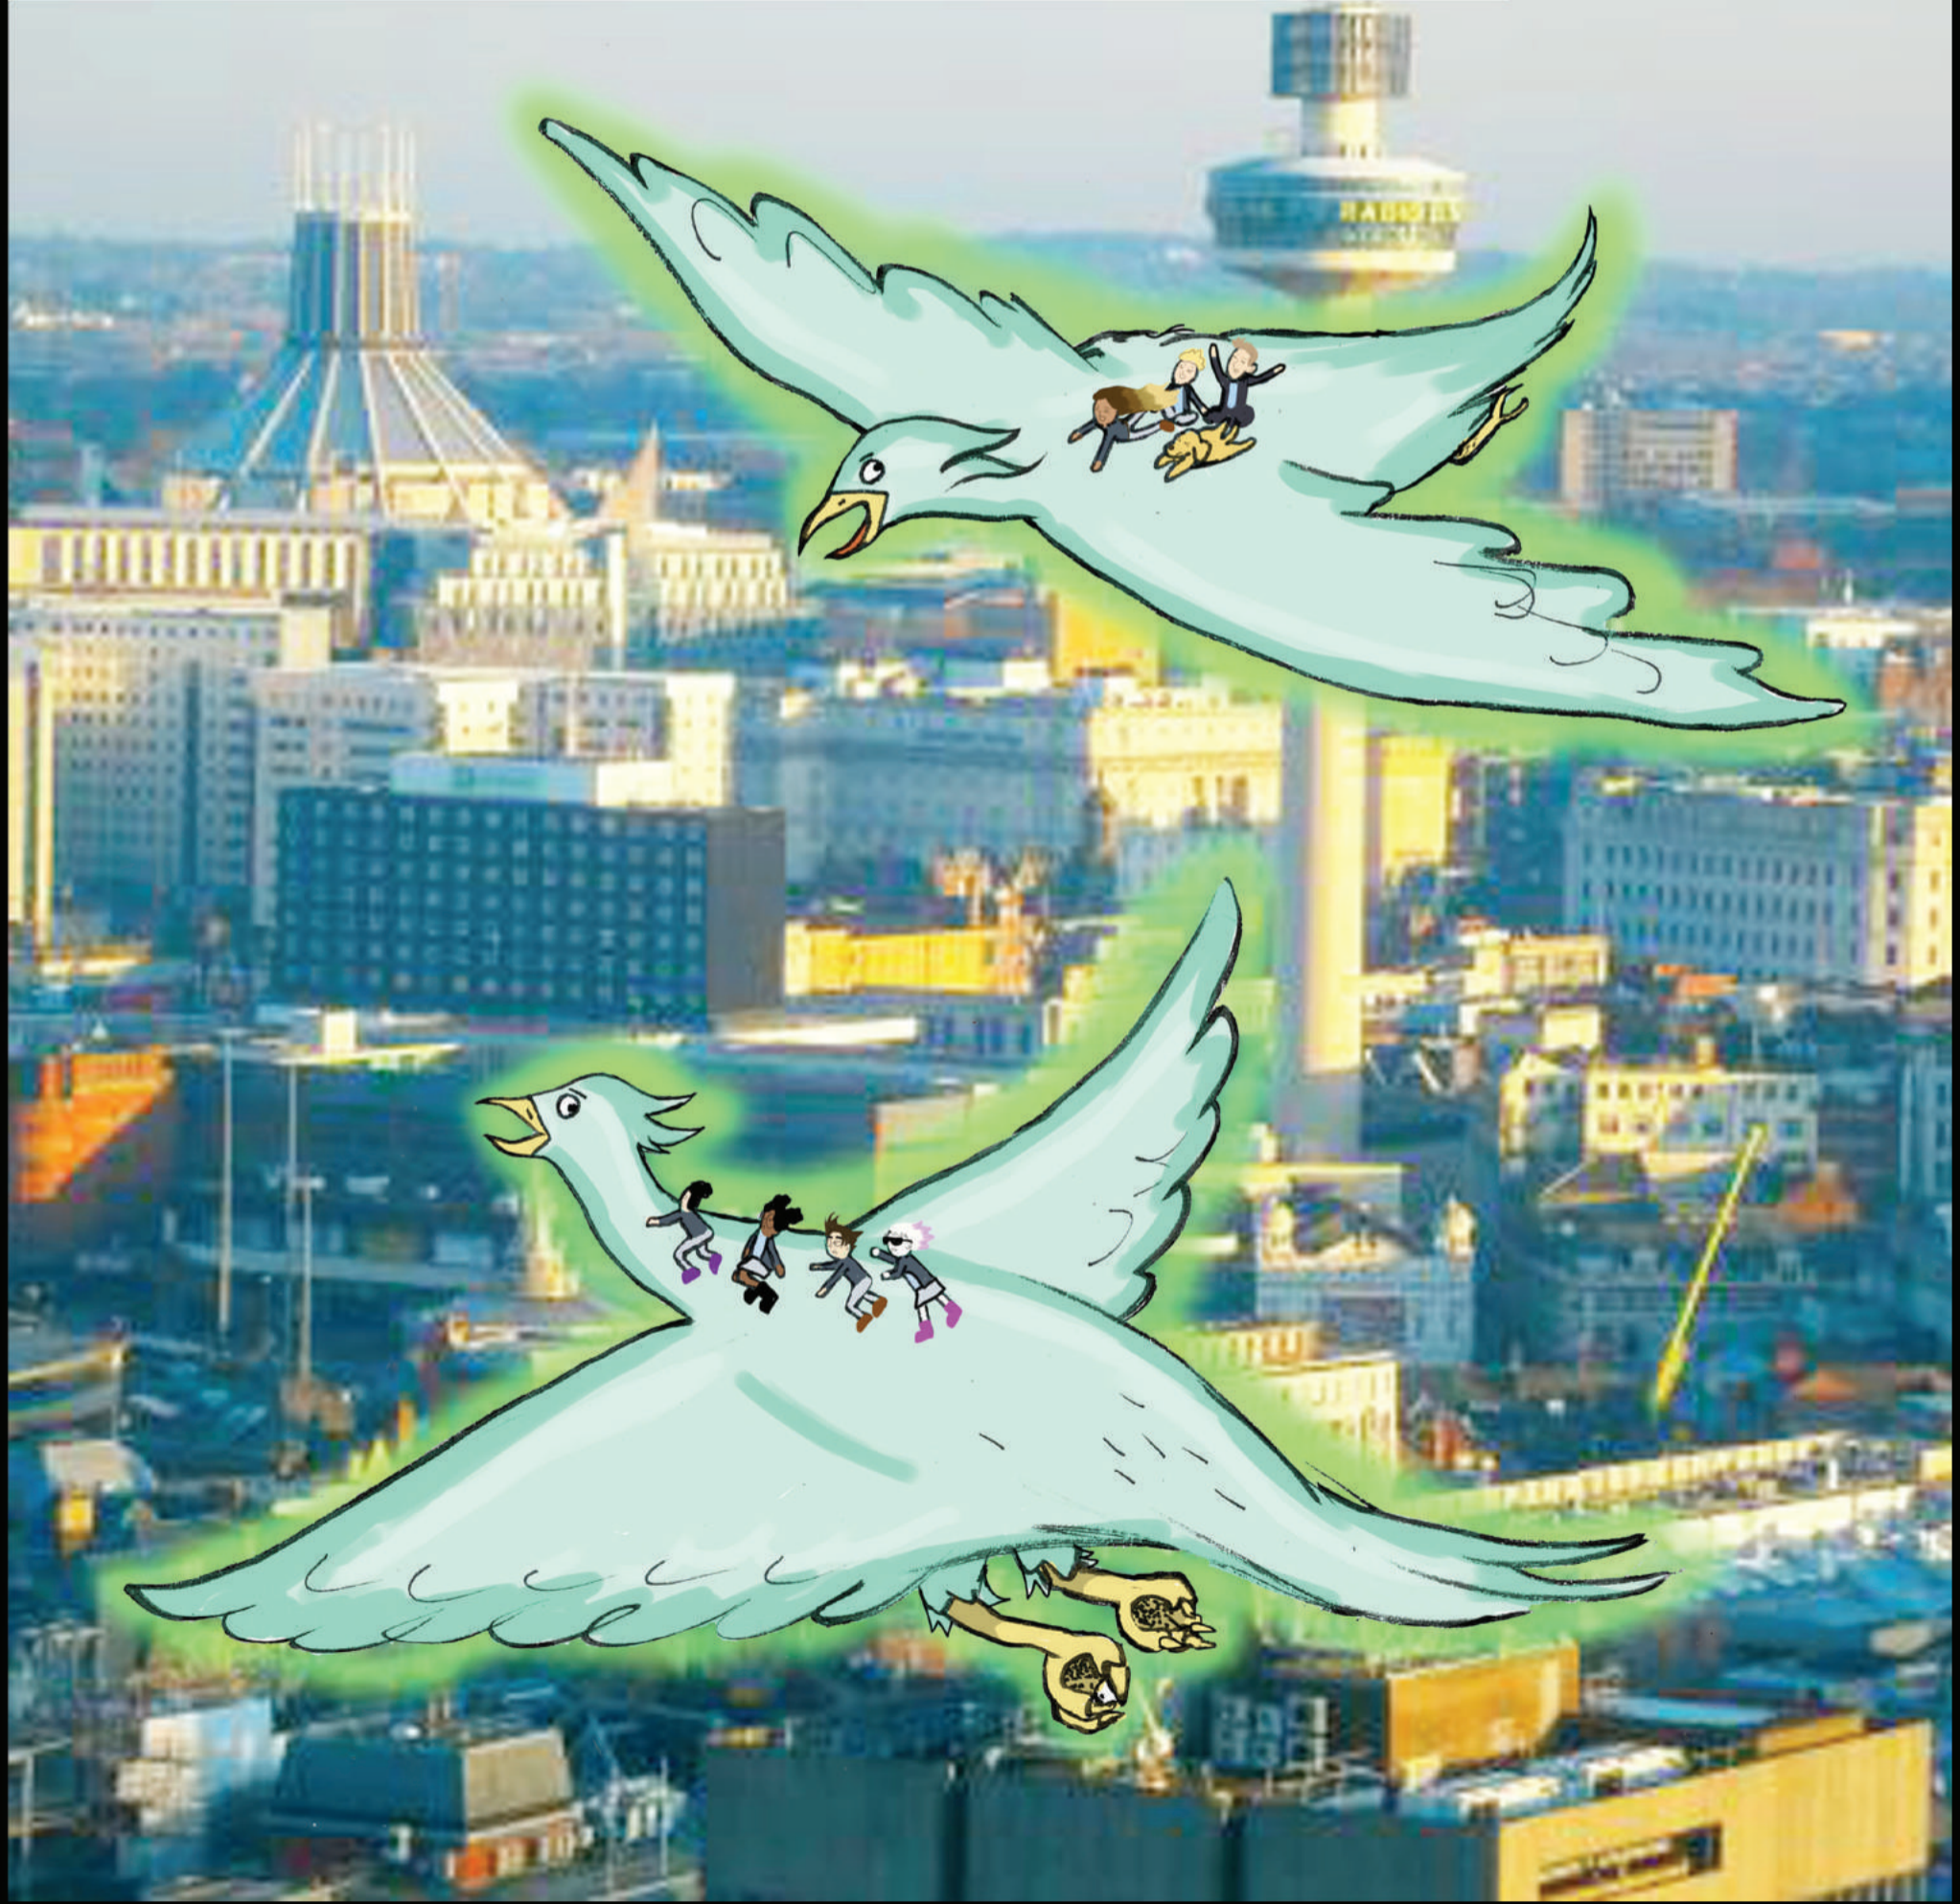

YEAHHHH!

Everyone flew once again on Bella and Bertie's backs, to the next part of their journey...

Can you hear Charlie  
Landsborough singing?

I think your imagining  
things again, Bertie

What colour is the wind, Daddy  
Is it yellow, red or blue  
When he's playing with my hair, Daddy  
Does he do the same to you?  
When he's dying does his colour fade  
Is a gentle breeze a lighter shade  
Just like his friend the sea  
The wind feels blue to me...
