

ST VINCENT'S SCHOOL

A Specialist School for Sensory Impairment and Other Needs

Journey for Peace #2020 for 2030

T-Shirt Competition

We invite you to engage in the T-Shirt competition for this project.

We encourage you to design a T-Shirt which reflects what you have taken from the 'Journey for Peace'. You may wish to use the East of Eli, Rotary and Lions Logos in your design if you have worked with the 'widows mite' step of the project. The creative brief is totally open....so be creative and share your thoughts and feelings through art and design.

The winning design will be made into T-Shirts for the planned music celebration with East of Eli and the International VI Games to be held in Liverpool with the support of Fashion Hub Liverpool @FH-Liverpool . We will work with you to deliver an entrepreneurial learning element to this part of the project and there some exciting prizes to be had.

If you are interested in this part of the project please email

LizMcGovern@stvin.com with school name, full address and lead teacher contact details.
