Re: School Opening

Dear Parent/Guardian,

You will now be aware that as of Monday 8th of June we will be welcoming some students back to school. Mrs Warburton has been in contact with all families throughout this process.

For those students remaining at home, work packs and online Zoom sessions will continue.

From Monday 22nd June we will commence the next phase of opening up for further students. If you wish for your son/daughter to return to school during this phase, please complete the below reply slip and return to school by Friday 12th June. Email/telephone consent is also applicable.

Staff have returned to school to run through all the safety measures that have been put in place. Your child will be placed in a 'bubble class' so as to limit the amount of contact between pupils. Teaching and Learning will include 'Journey for Peace project' which is shared on our school website.

As you are aware this is uncharted waters. We have taken all possible government and DfE advice to put in place the safest environment for your child. However, we cannot 100% assure you that no child will catch the virus. We need to be crystal clear of this, and for you to be aware that should your child contract the virus, school cannot be held responsible for something that is out of our control, no matter how many measures and procedures are put in place. We will require you to complete and sign the attached return slip before your child will be permitted to return to School.

If any child or staff member within your child's 'bubble' shows symptoms or signs of the virus, that bubble will be sent home. I also ask that if your child is displaying any symptoms that you do not send them into school.

Yours sincerely

Dr JA Patterson
