

Consent Form

The school now broadcasts an Internet Radio Station known as "EqualEyes Radio" and although this can be restricted to broadcast within the school building, **we would like to open the broadcast up to a global reach.**

Many recordings of our children taking part in school activities have been produced and they are often mentioned by name on the recordings. Any further personal information is kept confidential.

We would like to ask your permission for your child to be included in the wider broadcast schedule, which will be broadcast 24/7 on a continuous loop.

Please complete the lower part of this form and return it to me here at school.

Yours sincerely
