the liverbirds have some wisdom to share  
they pass on this message with no time to spare  
'American Eagle needs peace and hope to be inspired,  
so Natalie and Eevee, your help is required!'

We can give you a lift across the pond  
but we must fly back as we can't stay long  
We'd like to appoint you as our 'Liver Birds'  
We'll lend you our wings,  
to help the eagles voice be heard!

The Eagle must ask the noblest of minds  
'What's the best wisdom you ever did find?'  
And, so when their voice is no longer in vain  
The Eagle will heal and stand tall once again!

EEVEE

NATALIE

So, the Liverbirds flew all day and night,  
with Natalie & Eevee holding on tight.  
Both ready to think, both were ready to write  
What great wisdom will Eagle ignite?

The great eagle saw America in two,  
so decided to soar to find out what to do.

He flew to mightiest statues around,  
each gave him some wisdom, this is  
what he found

Let's see what the American statues say  
when American Eagle is leading the way.  
What do they stand for? What did they find?  
What's the first thing that comes into your mind?

he could help piece America together at last.  
He spread out his wings, and he took his true place,
