

REF: JP/MH COVID-19 return to school.

Friday, 22 May 2020

Dear Parents/Carers

School will be starting a phased return for pupils from 8th June 2020, if you are planning for your child to return, we need to share the following information:

From the 1st June staff are returning to school to run through all the safety measures that have been put in place. Your child will be placed in a 'bubble class' so as to limit the amount of contact between pupils. Teaching and Learning will include 'Journey for Peace project' which is shared on our school website.

As you are aware this is uncharted waters. We have taken all possible government and DfE advice to put in place the safest environment for your child. However, we cannot 100% assure you that no child will catch the virus. We need to be crystal clear of this, and for you to be aware that should your child contract the virus, school cannot be held responsible for something that is out of our control, no matter how many measures and procedures are put in place. We will require you to complete and sign the attached return slip before your child will be permitted to return to School on 8th June 2020.

If any child or staff member within your child's 'bubble' shows symptoms or signs of the virus, that bubble will be sent home. I also ask that if your child is displaying any symptoms that you do not send them into school.

If you would like to know the fine details of procedures please do not hesitate to contact us between 1st-5th June, when we can go through our procedures in relation to your child specifically.

Together we will come through this, stay safe.

Yours Sincerely

Dr J Patterson

Principal
