

# A JOURNEY FOR PEACE

St. Vincent's  
Comic 4

We know you can help us get the keys!

we're counting on you!

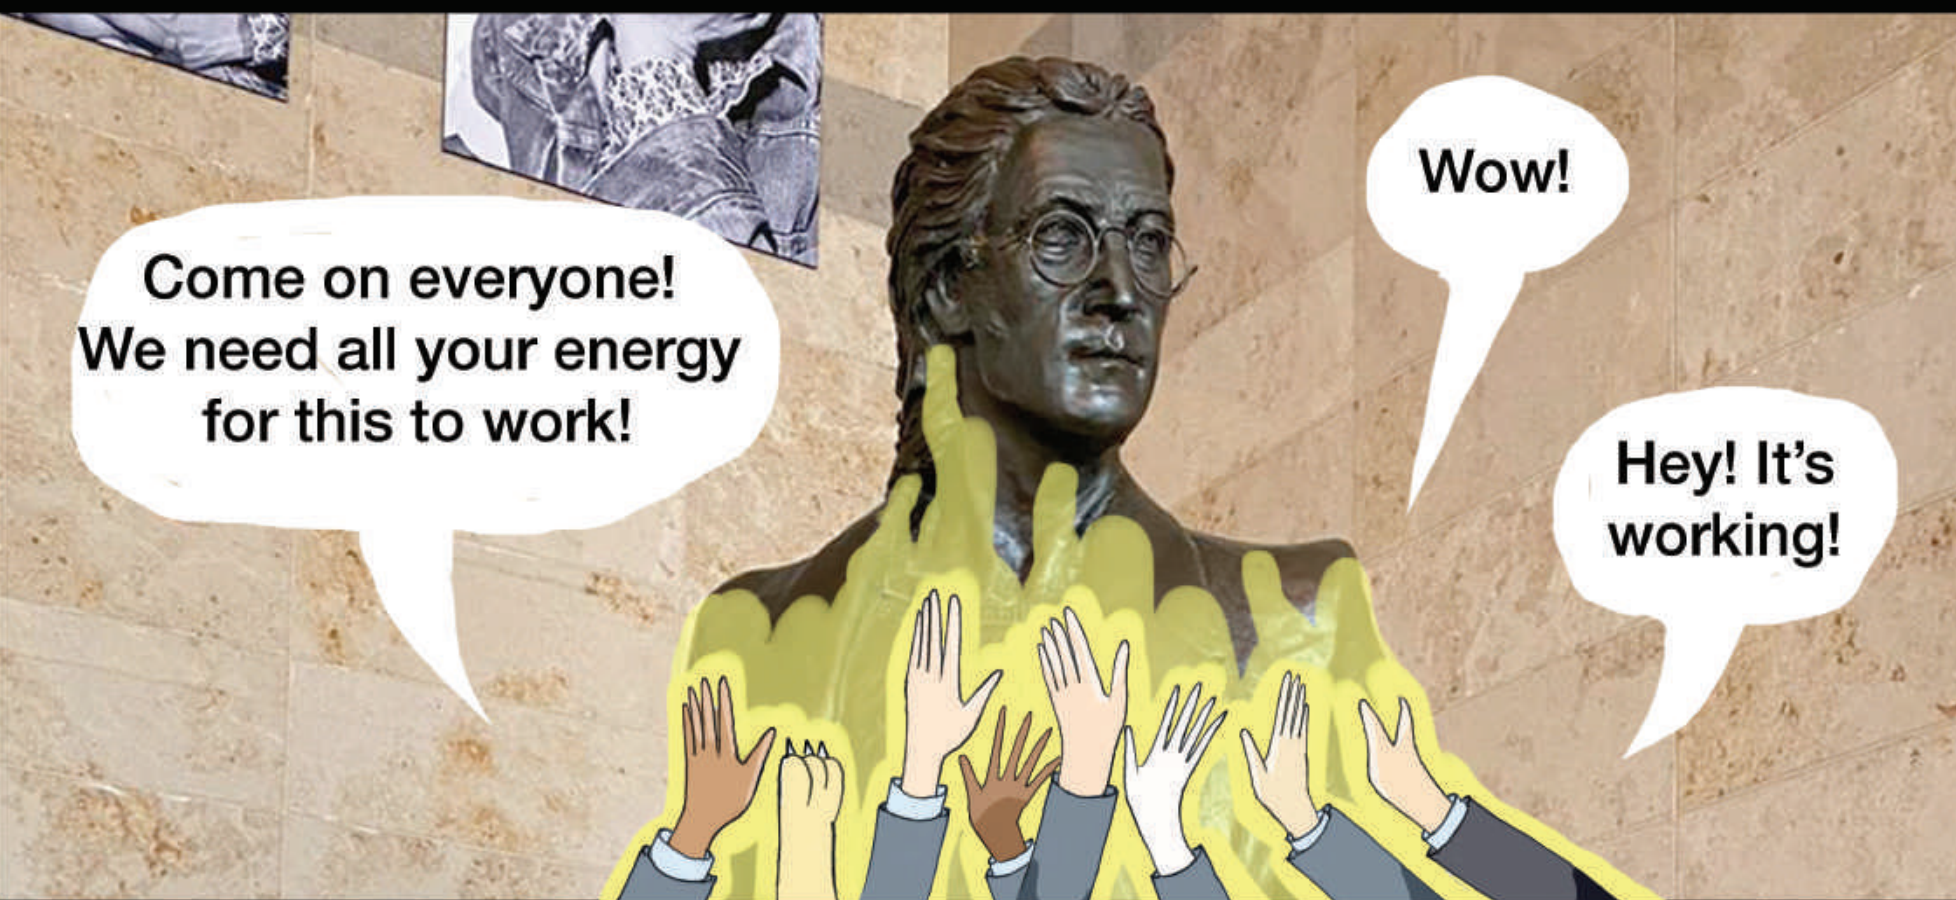

That was so nice of the liverbirds to give us a lift to...

Bye!

GRRR...

Suddenly, a bright yellow light shone and the John Lennon statue came to life, looking shocked!

John Lennon pointed at a girl that seemed a lot like Alicia! Only she looked evil. She was clutching the peace emblem and running away!

VINCY! STOP HER!

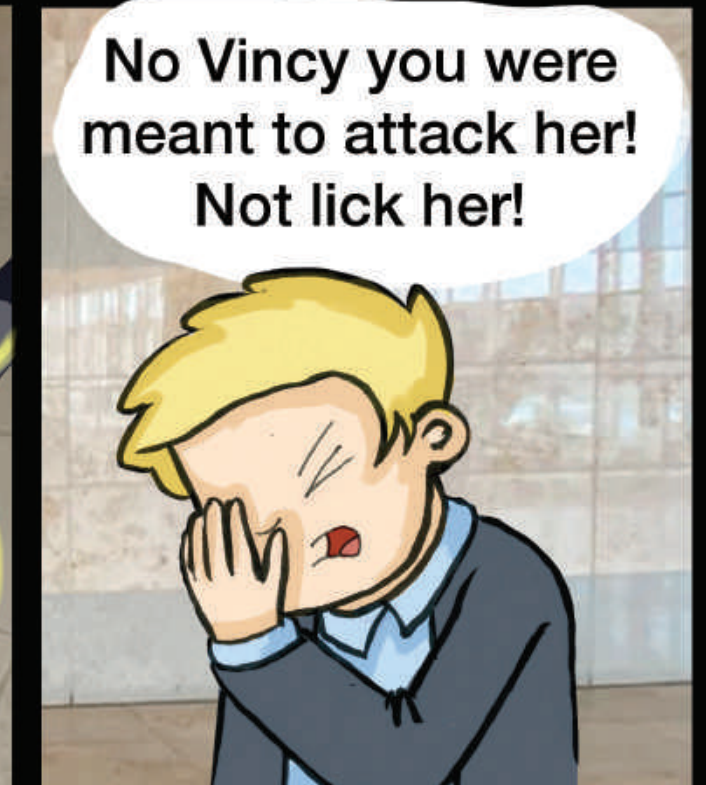

Vincy pounced down the stairs and chased 'Evil Alicia'

Vincy jumped on 'Alicia' and she fell

No Vincy you were meant to attack her! Not lick her!

Wow, you stopped her without violence...

That's pretty groovy!

Evil Alicia fainted and pixelated away...

# DID YOU KNOW?

John Lennon was a founding member of 'The Beatles', the most successful rock band in history. Alongside Paul McCartney, Ringo Starr & George Harrison, the Liverpudlian group were nicknamed 'The Fab Four'

John Lennon was registered as legally blind, and could hardly see a thing without his glasses. He started wearing circular glasses at the beginning of his career, these later would become a trademark for him.

Lennon was assassinated by a man whom he had just signed an autograph for. One of the last photographs ever taken of him alive was of him signing an autograph for his killer.

## John Lennon

9th October 1940 -  
8th December 1980

Everyone went outside near the yellow submarine statue

Mr John Lennon,  
we must ask you  
a question...

How can we  
find peace?

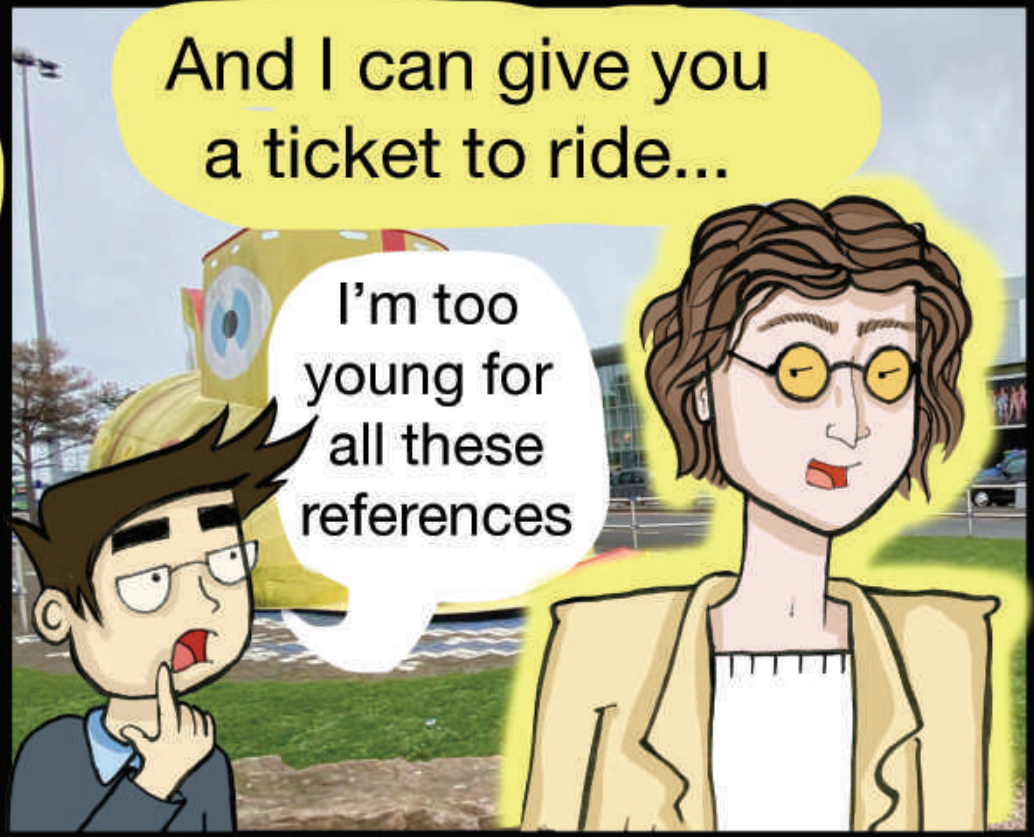

Declare it. Just in  
the same way we  
declare war...

...That is how  
we will have  
peace,  
we just need  
to declare it.

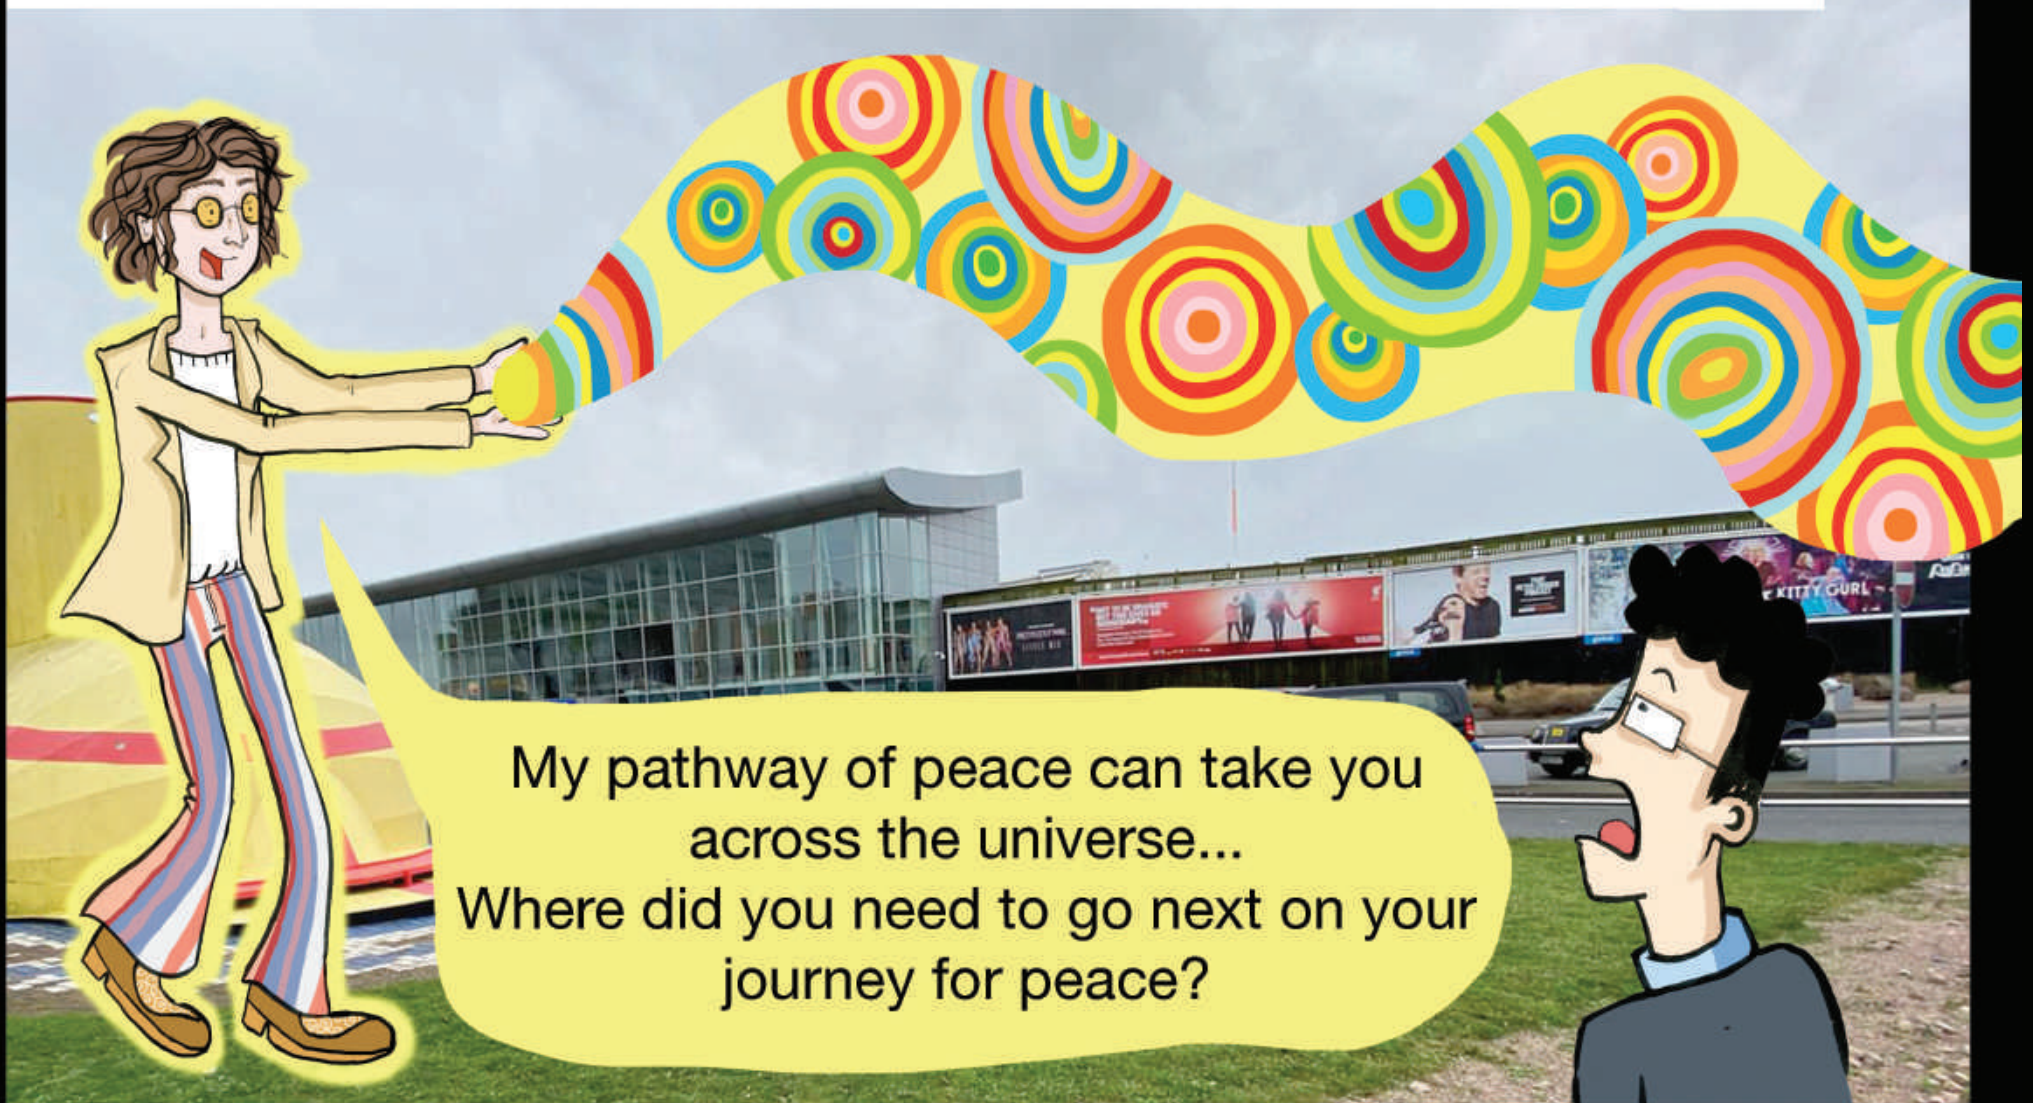

It seems there is a long and winding road ahead for you all...

And I can give you a ticket to ride...

I'm too young for all these references

John Lennon projected a magical yellow pathway out of his hands

My pathway of peace can take you across the universe...  
Where did you need to go next on your journey for peace?

Will and Dr Patterson looked at their map

well...

Something was glowing near the bombed out church

Do you think you can take us there?

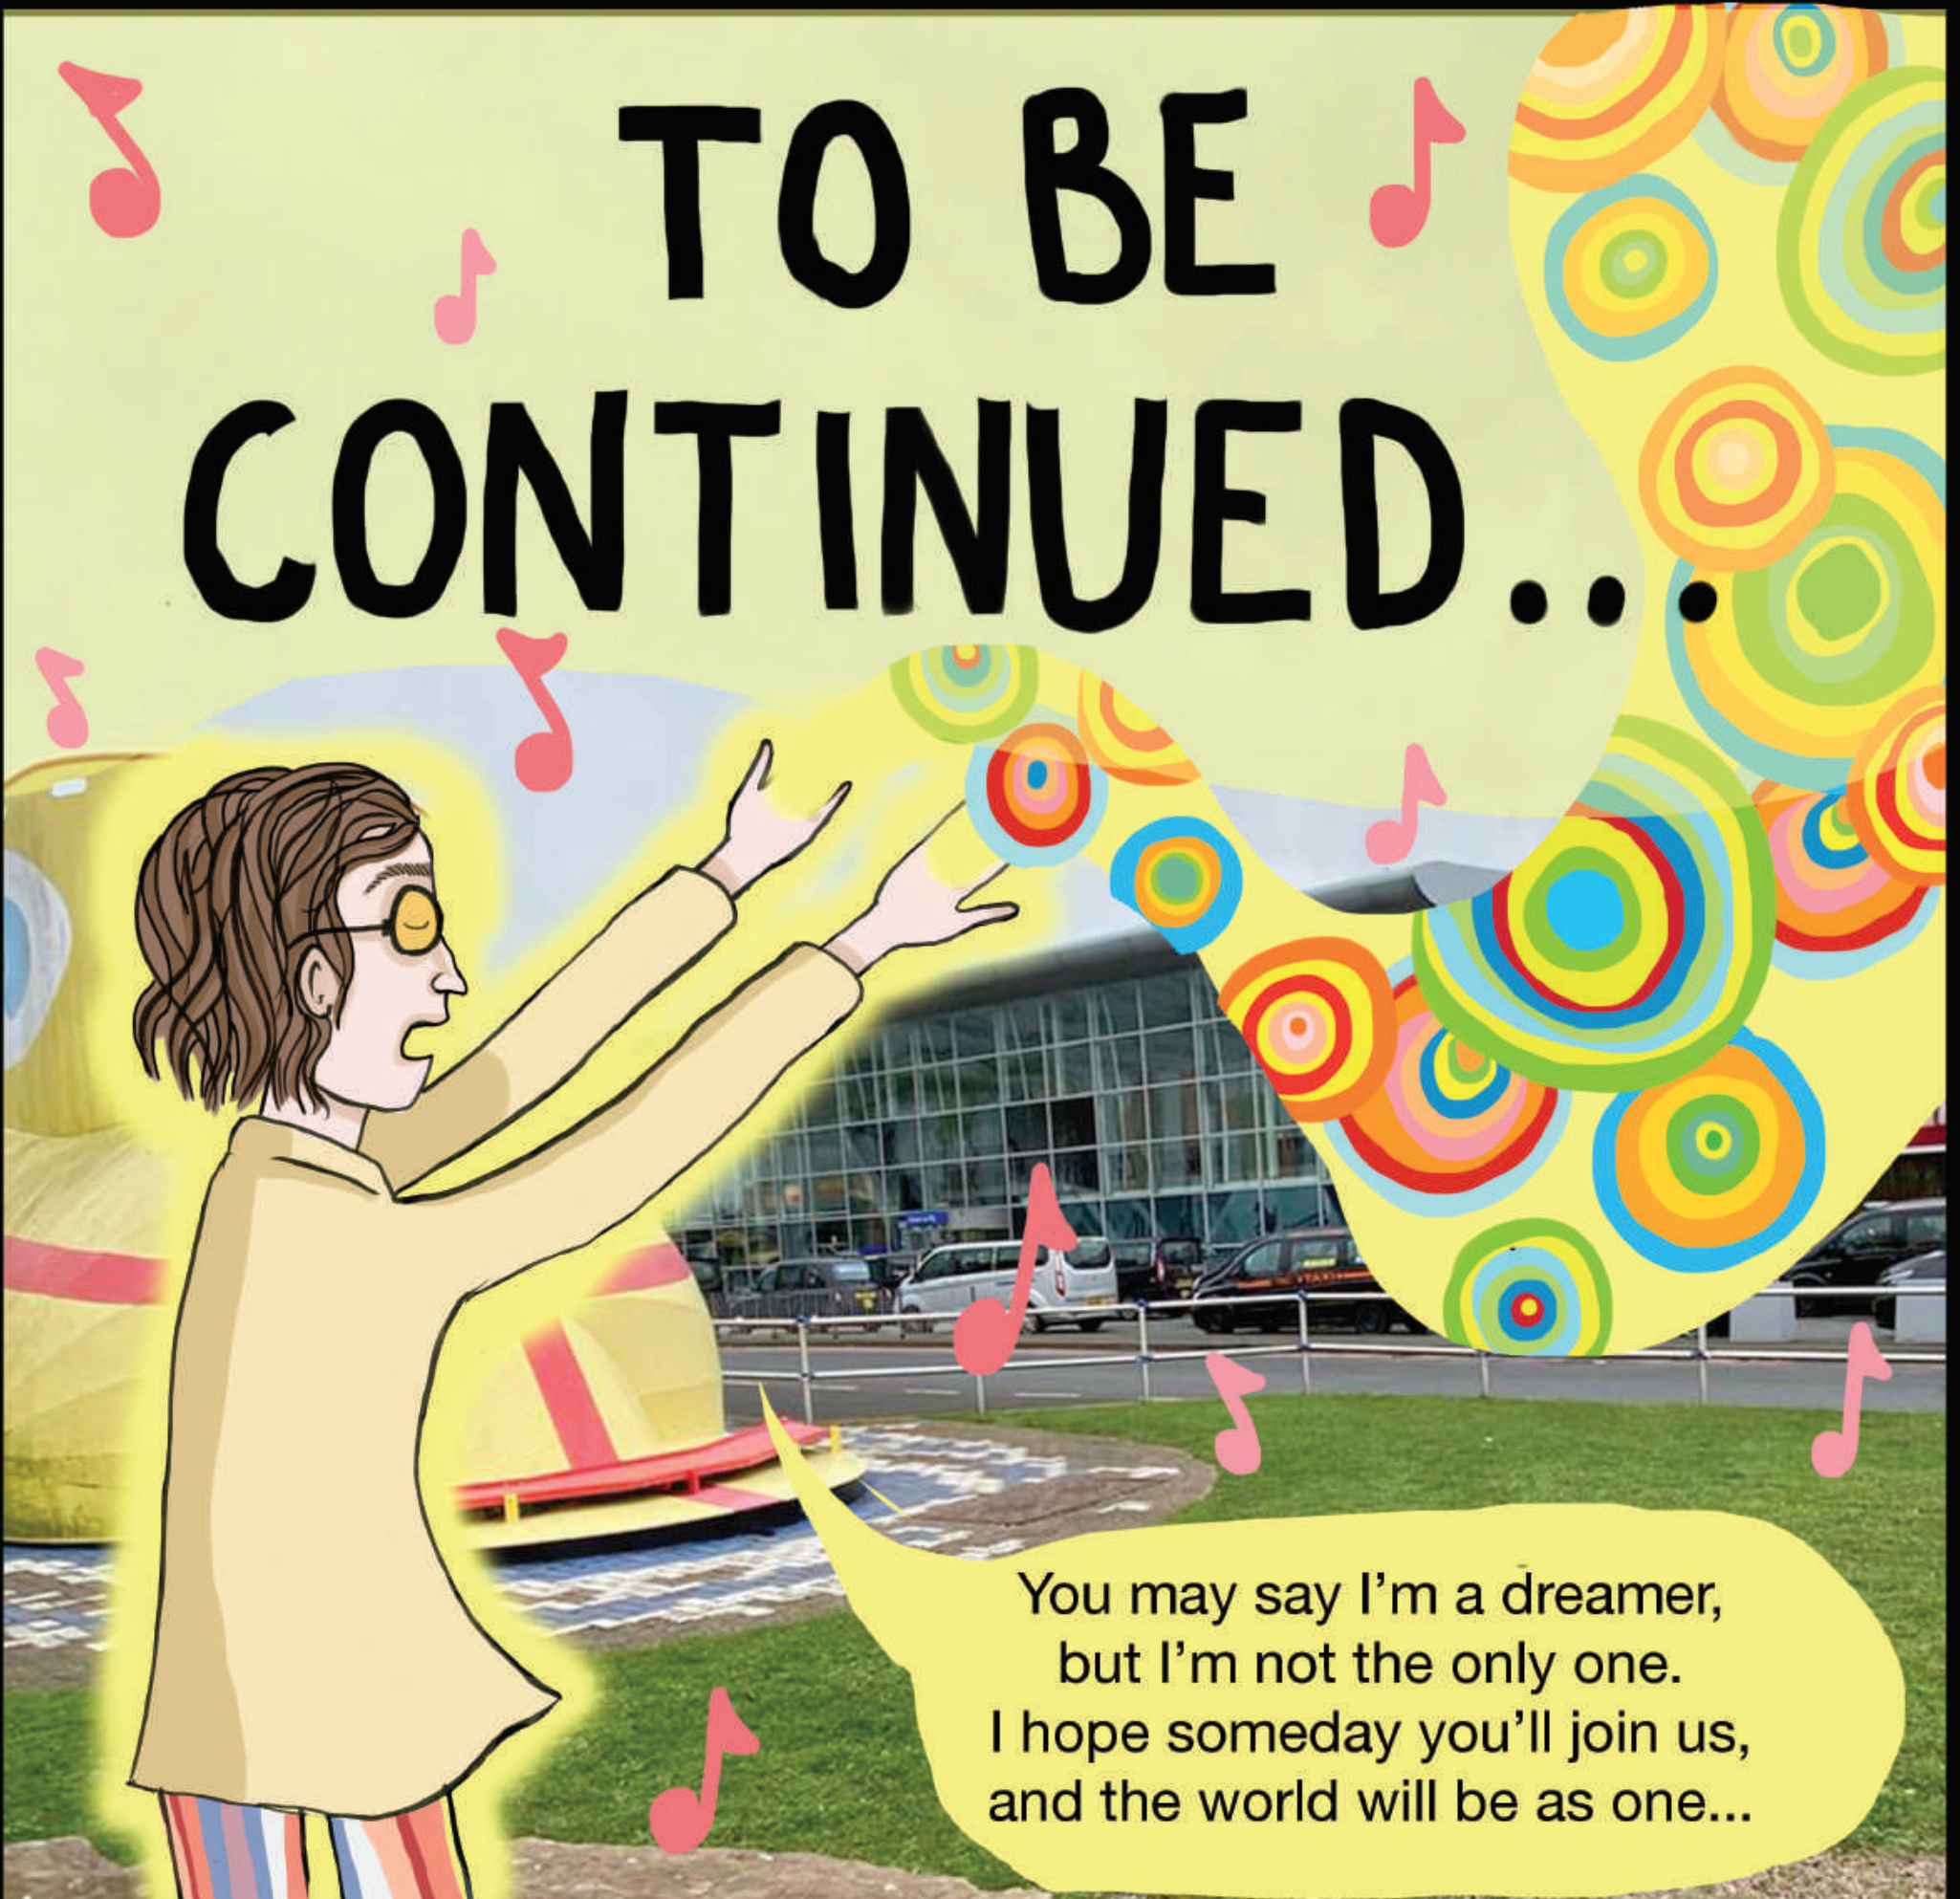

Of course!  
For a journey  
for peace I  
can take you  
anywhere!

Thanks John Lennon!

TO BE  
CONTINUED...

You may say I'm a dreamer,  
but I'm not the only one.  
I hope someday you'll join us,  
and the world will be as one...
