

Headteacher's Weekly Newsletter

Friday 18th October

Dear Parents and Carers,

As week 7 ends and we fast approach the half-term it has been another productive week in school. I've enjoyed joining classes this week – and had the pleasure of visiting some primary swimming lessons to observe the excellent progress that is being made in the pool. Plans for the end of half-term Halloween Disco are in-hand – and I look forward to joining in!

School PTA

I will be writing to all parents and carers after the half-term to re-visit the possibility of a new School PTA. I would be grateful of any interest and ideas as we plan to bring together a new team. The purpose of this will be to bring parents, carers, pupils and teachers together to raise funds, run fun activities and continue to strengthen the school community.

New School Business Manager

I would like to take this opportunity to introduce you to, and welcome Adele Leigh-Jones to St Vincent's School. Adele takes up her new role as the school Business Manager and will be working closely with the school team.

Library update

The new school library space is coming along well and we hope to have this completed for all pupils when they return after the half-term break.

CVI Conference 2024

It was wonderful to join the Cerebral Visual Impairment (CVI) Society in Bristol today for their annual conference. CVI is the leading cause of VI and here at St Vincent's School we support many children and young people with CVI. This was an informative conference and it was a pleasure to share the work of St Vincent's School.

If you would like to find out more about the CVI Society, please use the below link:

Wishing all pupils, staff, parents and carers a very restful weekend.

Best wishes,

Mr D Swanston

Interim Headteacher
