Ref: Dr JP/MH

Dear Parent/Guardian,

As a result of last night's national lockdown, we have reviewed the schools Risk Assessment and I write to update you on school's position.

All schools have been asked to offer provision for children of Key Workers' and those children who are vulnerable – this includes students with Education Health Care Plans (EHCPs).

School will remain open to support all students who attend onsite and staffing capacity will be monitored daily. For those students not returning, remote provision will be put in place as fully as possible.

You will have received recent correspondence on staff and pupil testing that will be carried out regularly onsite. This will remain in place.

The coming weeks will be a challenge for all, but please, if you have any questions do contact school.

Thank you for your support,

Best wishes,

Dr. J.A Patterson

Principal
