

# NORTHERN FLOWERHOUSE SCHOOLS DAY

*A morning of nature, creativity and connection*

Join us at St Vincents School for the first **Northern Flowerhouse Schools Day** – bringing together children and young people to explore nature, sustainability and outdoor learning.

Set within our wildflower meadow in full bloom, this event offers unique, sensory-rich experiences designed for **all learners**, including those with visual impairments and additional needs.

## OUR PURPOSE

- Sustainability education
- Inclusive outdoor learning
- Environmental stewardship
- Pupil voice and participation

## WHO CAN ATTEND?

- Local special and mainstream schools
- Small groups (4–6 pupils per school)
- Children and young people with SEND
- Educators and practitioners interested in inclusive outdoor learning

## ACTIVITIES

- Mini biodiversity & insect discovery
- Composting & wormery workshops
- Co-build projects (habitats & structures)
- Heat mapping & environmental exploration
- Guided meadow walks
- Seed cleaning & sowing activities

*Join us!*

A hands-on, inclusive event for children and young people.

### IN COLLABORATION WITH

### GROWING SOMETHING BIGGER...

This event is part of the wider Northern Flowerhouse Assembly, connecting schools, communities and organisations across the North to support nature recovery, creativity and inclusive environmental action.

*Together, let's inspire the next generation to care for nature and our future.*
