22nd March 2019

Dear Parents/Guardians

**Post-16 Outdoor and Adventurous Activities Residential  
13<sup>th</sup> – 17<sup>th</sup> May 2019**

As part of your child's Post-16 transition and DofE curriculum provision, he/she is required to experience a programme of Outdoor and Adventurous Activities. We are keen to offer a high standard of provision and consequently have arranged a specialised one-week course.

The course will be based at The Calvert Trust Centre, Keswick, in the Lake District. We have used this centre for many years and have always been very pleased with their ability to meet our children's needs. Your son/daughter has been identified this year to attend the one week residential and it would be of great benefit to their Outdoor Education experience.

The Centre currently charges £298 per pupil for this most valuable residential experience. If you are unable to pay the full cost upfront then monthly instalments are an option.

Would you please complete the permission slip attached, and return it to Mr Swanston at your earliest convenience.

Please do not hesitate to contact either Mr Swanston or Mr Roberts, should you have any questions. Further details and required medical information forms will follow. Thank you for your cooperation.

Yours faithfully

**Dr J A Patterson  
Principal**

**Please return to school:**

I -----(Parent /Guardian) do/do not give permission

for -----(pupil name)

to attend the Calvert Trust Outdoor Activities Course in the Lakes from 13<sup>th</sup> – 17<sup>th</sup> May 2019  
at a total cost of £298.00.

Signed:..... (parent/guardian)
