Re: Eco Education Trip to Cornwall

Dear parent / carer

As part of our school's Eco Education Curriculum, a group of pupils have been selected to attend a residential trip to Cornwall from 10th to 13th March.

We will be staying for 3 nights in the Retallack Resort in Cornwall and will be visiting The Eden Project and The Lost Gardens of Helligan for educational excursion days.

This trip has been fully funded by Ecotricity because of the school's participation and winning of the Young Green Britain Challenge, therefore there is no cost to parents/carers.

We will be departing school by minibus at 9 am on 10/03/25 and returning to school on 13/03/25 at 3.45pm.

Pupils will need to bring adequate amount of clothing for 4 days, suitable outdoor clothing and swimwear. However, a more detailed kit list will be provided prior to the trip.

In the meantime, if you have any questions relating to the trip, please do not hesitate to contact school.

Yours sincerely,

Mr C McSorley
