## **Aims**

Our school aims to be fair, open and honest when dealing with any concern or complaint. We will listen carefully and give careful consideration to all issues that are raised, aiming to resolve them as swiftly as possible.

We are aware that raising a concern or complaint can cause anxiety for some parents, carers or staff members. Bringing it to our attention early will reduce your anxiety and we ask that you discuss concerns as soon as possible.

Your concerns and complaints will be treated with confidentiality and only discussed with relevant individuals.

Our school values and respects the views of parents, carers and staff members.

- To ensure that the complaints procedure is understood and available.
- To respond to complaints in a timely manner.
- To reach a satisfactory outcome for all concerned.
- To ensure that the complaints procedure is reviewed.
- To listen to our pupils, parents and staff.

## **Raising a concern or complaint as a parent or carer:**

- If you have a concern about anything to do with the care or education that we are providing at school, you should, in the first instance, raise your concern with the school Family Support and learning Coordinator. Most matters can be dealt with in this way. All Staff work very hard to ensure every child is happy at school, and making good progress.
- Where a parent feels that a situation has not been resolved through this line of contact or that their concern is of a sufficiently serious nature, they should speak to the Principal of school. Who will consider any such concerns very seriously and

investigates each case thoroughly, responding to the parents/carers verbally or in writing.

## Objectives

- To investigate complaints ensuring the protection of the person making the complaint.
- To retain a comprehensive record (log) of complaints including a planned monitoring of the situation and any matters for further action.
- To investigate, resolve and feedback the outcome of any complaint.

## Implementation

***\*NB Complaints or concerns raised in relation to abuse should always be responded to with reference to St. Vincent's Safeguarding/Child Protection Policy and Procedures***
