"Welcome, Joe. Today, we are going on a *MOBILITY* adventure..."

"Whatever do you mean, old man?"

"Listen closely. I've been hearing TALK of an ancient *MANGA* manuscript... the chronicles of *RANMA*."

"Mmmmmm! I LOVE Manga - I have been looking for this manuscript for some time - the elusive *RANMA 1/2*."

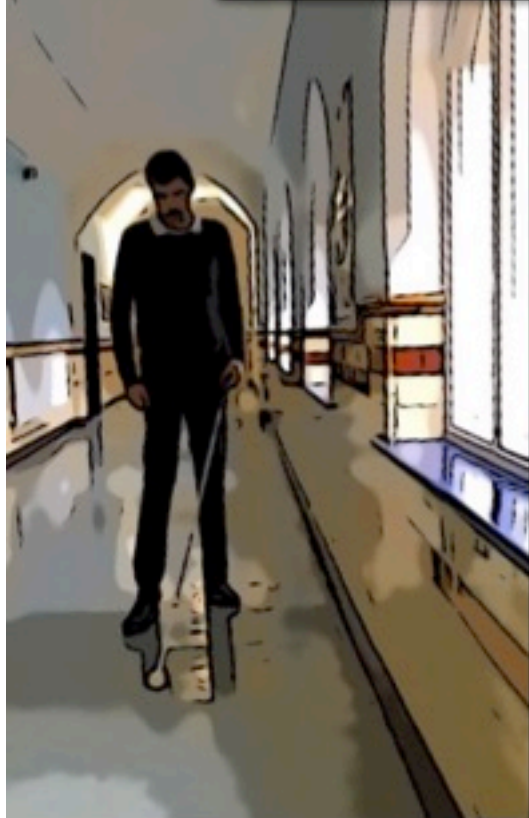

"Well then, let's grab a LONG CANE and be on our way..."

Joe chose the right size long cane...

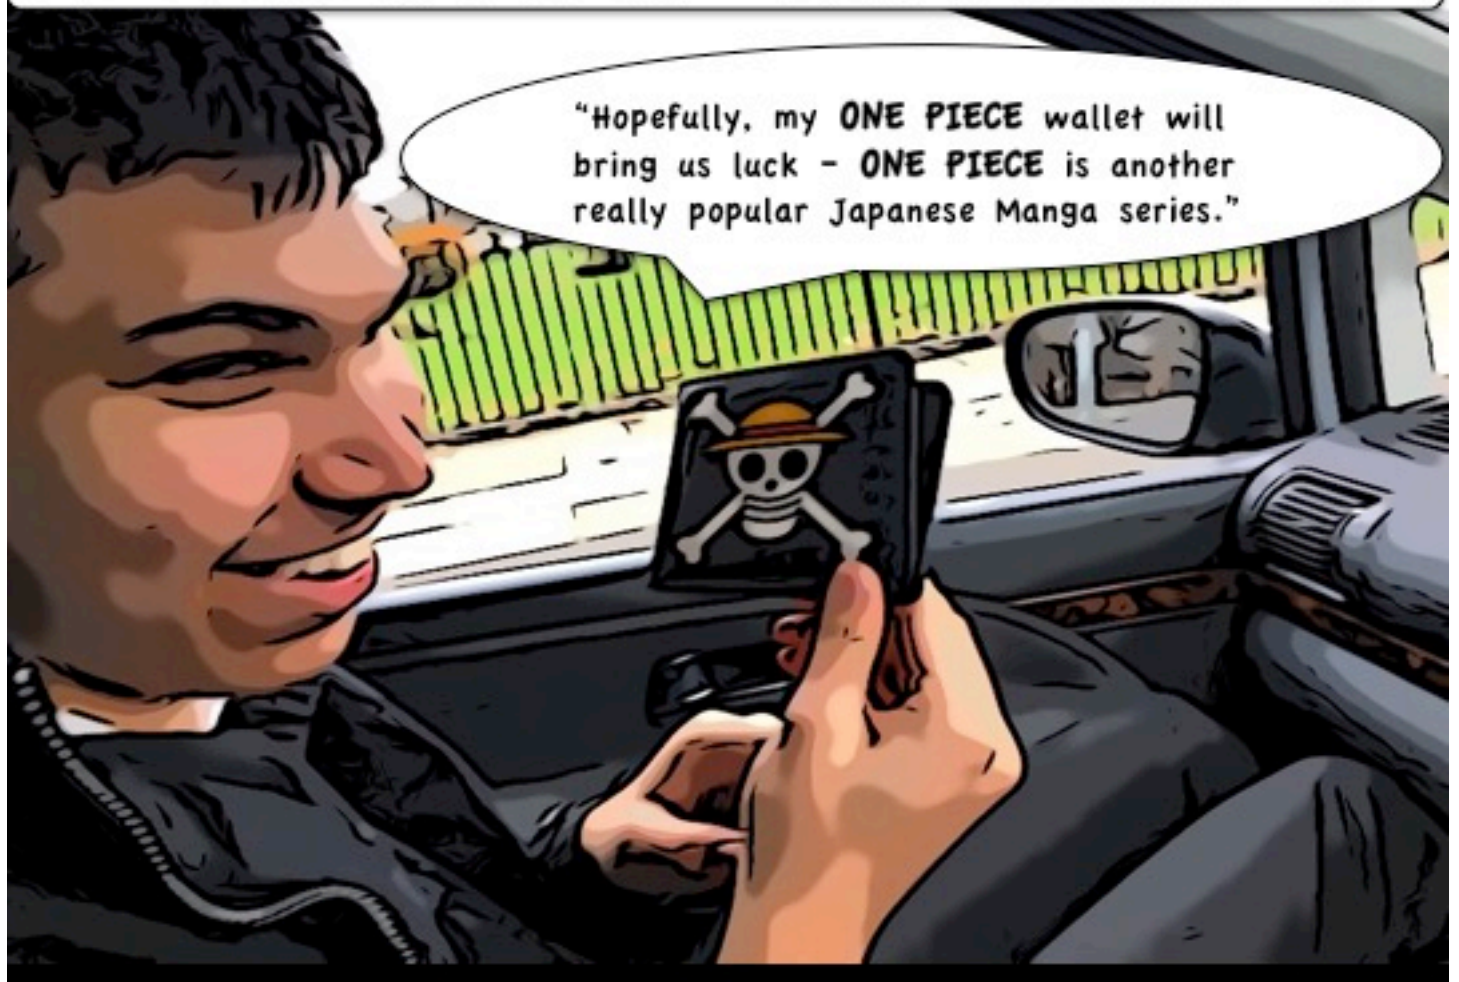

...and deployed his mobility skills as we headed out.

Outside, the pair went to find the school vehicle.

The men drove off in the car - heading to a shopping mall.

"Hopefully, my **ONE PIECE** wallet will bring us luck - **ONE PIECE** is another really popular Japanese Manga series."

Joe counted his cash, to be sure he had enough money.

Joe grabbed his long cane from the back seat and hit the streets...

Gripping the cane handle...

...and walking in-step, with steely determination.

Joe walked skillfully for many exhausting hours...

...until he finally came to what he was looking for.

"This could be the place. I hope they've got the RANMA 1/2 manuscript."

Joe wandered the cavernous interior of the mall...

All of a sudden, a certain shop grabbed his attention...

"A rare SUPER NINTENDO!
What a find! Let's head in
store... see what else they
MIGHT HAVE!"

"GEE WHIZZ!
MANGA DVDS!"

Joe searched eagerly through the DVD collection...

"BLEACH! The full series!
This isn't the manuscript...
but I've GOT to buy this!"

"Better bust out the coins -
crack open the old ONE
PIECE ... pay for this thing."

Joe handed over his money...

"Here you go, sir... hope you enjoy it."

Happy with his purchase, Joe came up with an idea...

"That's great! I think this purchase deserves a CELEBRATION..."

"...HOW ABOUT SOME CAKE!!!"

11 seconds later - the men found cakes GALORE...!

Joe whipped out his **ONE PIECE** wallet, once more...

"That'll be £26 please..."

"...£26! It's a little steep, but, **OKAY**, here you go."

Sitting down, the men took stock of the situation...

"10.21am precisely... the morning is going EXACTLY to plan. Enjoy your cake, Joe."

COFFEE

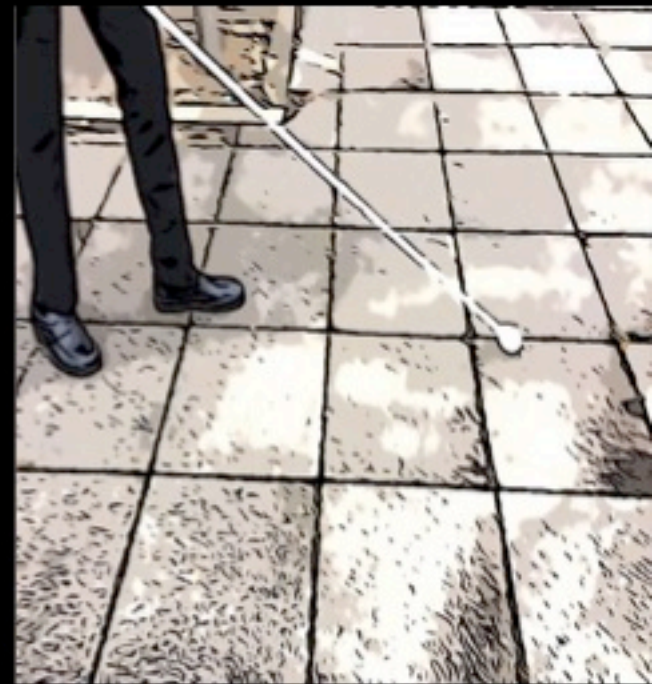

"Okay - but first, some GRATITUDE. In the spirit of an ANCIENT JAPANESE TRADITION... I humbly receive this food."

Joe got stuck in to the DELICIOUS cake...

Then it was time to re-trace their steps and head back to school...

At 11.10am, the bell rang for next lesson...

"Thanks for a GREAT lesson, MONSIEUR BENBOW! Let's try for the manuscript again NEXT WEEK..."

"YOU BET! Next time we'll head to LIVERPOOL on the train..."

ONE WEEK LATER...

"JOE! You're back -
LET'S GO! We're on
the 9.13am to
Liverpool Lime Street"

"It sure would be
a wonderful
Christmas if we
found the RANMA!"

7 minutes later, at BROADGREEN train station ...

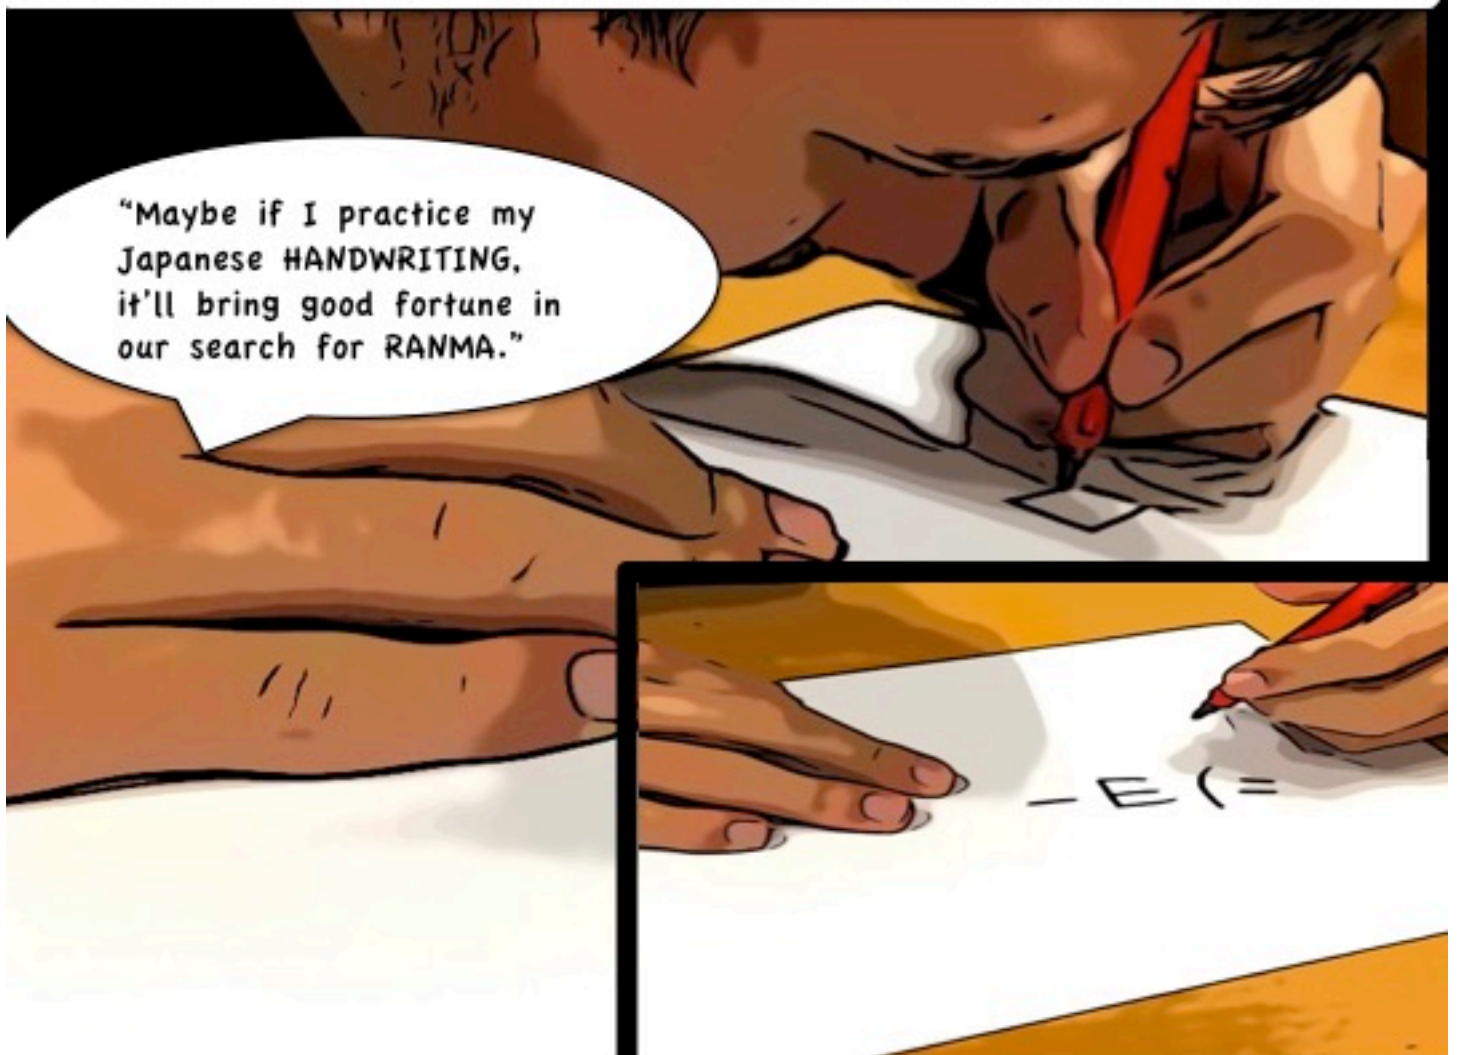

"Two adult return tickets to Liverpool Lime Street, please - and can you fold the corners on the return tickets?"

9.13am. **PRECISELY** - the train arrived, bang on time...

On board the train, Joe wrote a Japanese note, for luck...

"Maybe if I practice my Japanese **HANDWRITING**, it'll bring good fortune in our search for **RANMA**."

At LIME STREET STATION, the Mobility men formulated a plan of action to navigate the busy city centre...

"It is pouring with RAIN out there. Hoods up, follow the shorelines, use the pedestrian crossings - let's stick together. Use all of your MOBILITY skills, Joe..."

Passing ST GEORGE'S HALL, Joe crossed the busy street, on his way to a store called FORBIDDEN PLANET...

Outside the shop, Joe sensed the proximity of RANMA ½. He KNEW he was in the right place...

Joe began the hunt, searching the shelves methodically, to no avail upstairs...

A man in a black hoodie is looking at a shelf of action figures in a toy store. The shelves are filled with various toys, including a large box for 'MARVEL THOR' and 'ACTION' figures. A speech bubble above him says, "Mmmmm, they've got a few RANMA 1/2 figurines..."

"Mmmmm, they've got a few RANMA 1/2 figurines..."

So he headed downstairs - the last hope for his search...

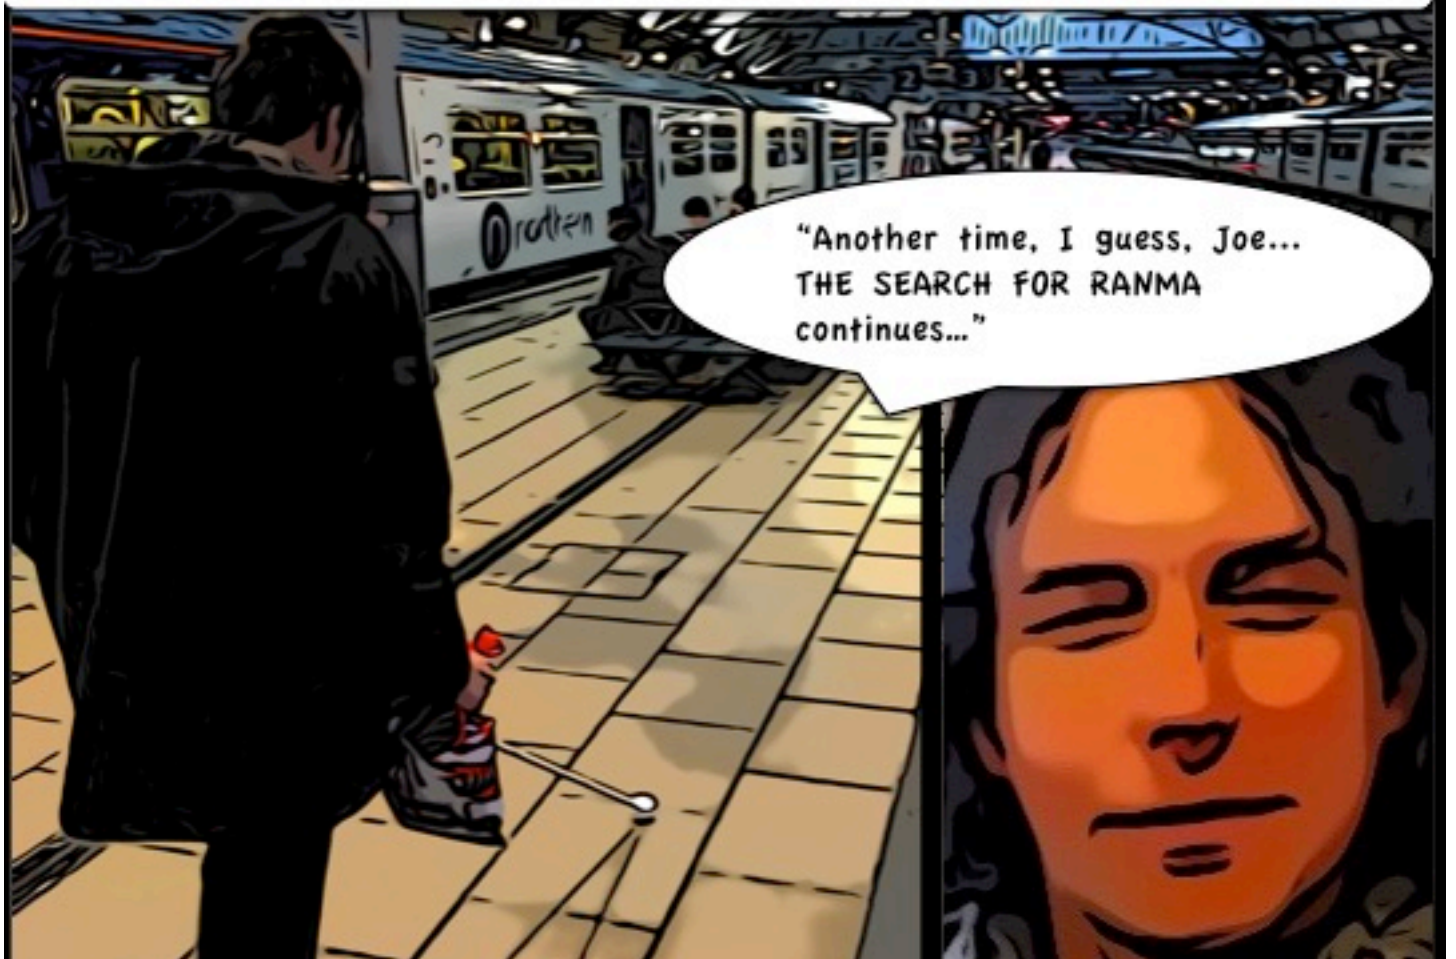

The man in the black hoodie is now in a different aisle, looking at a shelf of toys. He is holding a small object in his hand. A speech bubble below him says, "IT'S NOT HERE. But they've got DRAGONBALL 3-IN-1 EDITION! I'll get this!"

"IT'S NOT HERE. But they've got DRAGONBALL 3-IN-1 EDITION! I'll get this!"

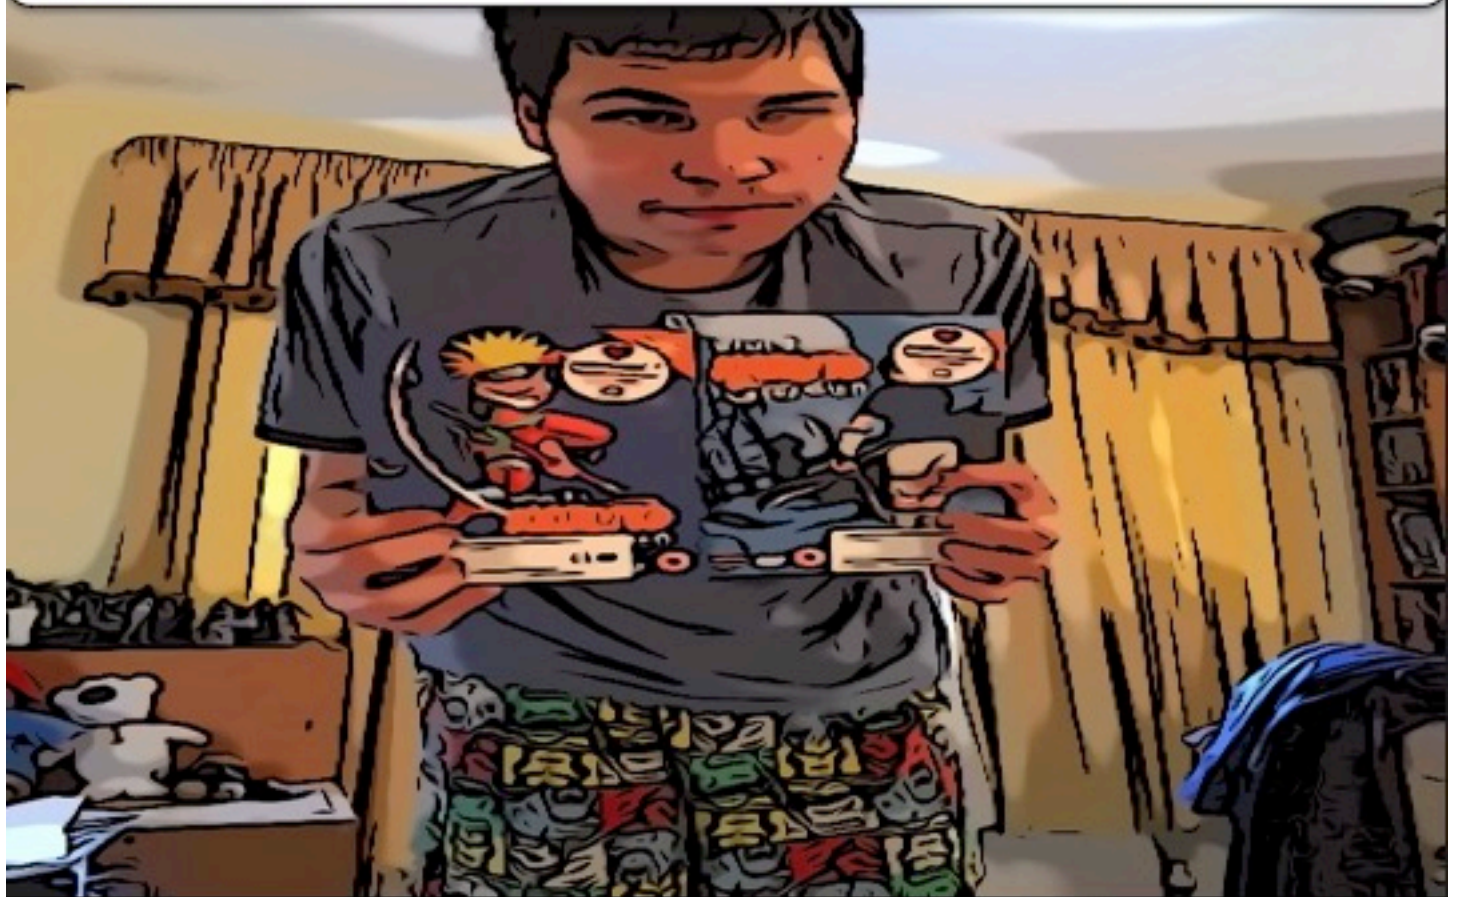

Joe cracked open the old ONE PIECE wallet and paid for the MANGA comic...

Then, the men headed back to ST VINCENT'S on the train...

"Another time, I guess, Joe...
THE SEARCH FOR RANMA
continues..."

That evening, Joe added his most recent purchase to his collection...

"Can you help Joe in 'THE SEARCH FOR RANMA?' Send us an email if you'd like to help..."

Joe felt happy with the way that the adventure had played out... it simply meant that the adventure continued!

"Good attitude, Joe - and excellent Mobility skill out there! You deserve the highest praise..."
