

# St Vincent's Ceramic Products

As part of our Reverse Inclusion afternoons, students have been working alongside their sighted peers to plan, design and create a range of handmade ceramic products. Through their creativity and entrepreneurship, a selection of these products are now available to purchase via the school website.

Product ideas are on-going and these will be updated, along with the availability termly.  
Please see below for this terms selection of products.

## Handmade Buttercup Bowl

**Product Dimensions: 15cm x 15cm**  
**Cost: £10**

## Handmade Candlestick

**Product Dimensions: Height = 20cm Base = 8cm**
