28th February 2020

Dear Parents/Guardians

Post-16 Residential Outdoor and Adventure Activities
27th April – 1st May 2020

As part of our enriched curriculum we are once again offering the opportunity for your child to attend a 5 day course at the Calvert Trust Centre, Keswick, in the Lake District. The centre provides an extensive programme of Outdoor and Adventurous Activities that will help in the development of self confidence and independence skills.

We have used this centre for many years and have always been very pleased with their ability to meet our children's needs. Your son/daughter has been identified this year to attend the one week residential and it would be of great benefit to their wider education.

The Centre currently charges £353 per pupil for this most valuable residential experience. If you are unable to pay the full cost upfront then monthly instalments are an option.

If you would like your child to attend then could I ask that you complete the permission slip attached, and return it to Mr Roberts at your earliest convenience.

Please do not hesitate to contact either Mr Roberts or Miss Pearson, should you have any questions. Further details and required medical information forms will follow. Thank you for your cooperation.

Yours faithfully

Dr. John Patterson
Principal

Please return to school:

I -----(Parent /Guardian) do/do not give permission

for -----(pupil name)

to attend the Calvert Trust Outdoor Activities Course in the Lakes from 27th April – 1st May 2020 at a total cost of £353.00.

Signed:..... (parent/guardian)
