

# ST VINCENT'S SCHOOL

A Specialist School for Sensory Impairment and Other Needs

## **Journey for Peace #2020 for 2030**

### **MUSICAL CELEBRATION**

We are hoping that you will be able to join us at this event physically/remotely where we will share the impact of our collective actions.

Interrupted by COVID we will keep you informed on our planning and intentions

We are looking for VI pupils in mainstream who may wish to participate with St.Vincent's musical group in making a Journey for Peace musical. Your pupils may lead on this on return to your school should they wish.

Let us know if you are interested, we can advise on ideas and advice by emailing [LizMcGovern@stvin.com](mailto:LizMcGovern@stvin.com)

During any celebration we intend to use music from our collaboration with East of Eli and Nathan West alongside a range of creative performance.

Furthermore, we will set the scene as for how your support has and will help VI children from around the world to be part of the planned International VI Games in Summer 2021.
