

## Headteacher's Weekly Newsletter

Friday 13<sup>th</sup> September

Dear Parents and Carers,

As we end our first full week back at school it has been wonderful to see and hear how quickly pupils have settled into their new forms and classes. New friendship groups are developing – and these will only continue to flourish.

### **School Council**

School Council representatives from each form class have been selected this week – and I look forward joining their meetings on a regular basis to hear the many ideas they will have. St Vincent's are part of the Smart School Council – if you would like to find out a little more about this you can follow the below link:

<https://home.smartschoolcouncils.org.uk/>

### **McMillan Coffee Morning**

On the morning of the 27<sup>th</sup> September we will be hosting a staff and pupil Coffee Morning for McMillan. Post-16 students have already made a start to planning this fundraiser including a staff Bake Off! More information on how all pupils will be involved will be shared with you in due course

### **Residential**

With all residential pupils now having returned to school this week I have enjoyed visiting the residential group and hearing about their plans for the year and taking part in some Key Working Sessions (KWS).

I will be joining the residential team on a fortnightly basis, and I look forward to sharing all the exciting plans and activities the team have for the academic year.

### **Partially Sighted Football League (PSFL)**

I would like to wish the best of luck to those pupils who will be representing Everton (and St Vincent's School) this Saturday at the PSFL Open Cup at Liverpool John Moores University.

Finally, I hope that you all have a great weekend – and for those pupils joining us tomorrow for the first of our Saturday sessions (10 am - 12 pm) – the weather may just join us.

Best wishes,

Mr D Swanston

Interim Headteacher
