

ST VINCENT'S SCHOOL

A Specialist School for Sensory Impairment and Other Needs

Headteacher's Weekly Newsletter

Friday 4th April 2025

Dear Parents and Carers,

We've had a wonderful week in school before we end for the Easter Holidays.

Pupils have been representing school at the annual Merseyside Swimming Gala, taking part in fun Easter-related activities and celebrating their many achievements of the term.

We also took time this week to hold a special assembly to wish Mr. Roberts a very happy retirement after 15 years at St Vincent's.

House Points as we end the week are Ash (86), Oak (91), and Elm (101).

Congratulations to Charlotte who joined me for the headteachers hot chocolate this afternoon. Charlotte received full marks in her class quizzes and finished 2nd gaining a silver medal in her first ever swimming gala. Very well done Charlotte!

A slightly shorter newsletter this week – and all pupils have been provided with a full Easter newsletter. You can also access this via the school website.

Wishing all an enjoyable Easter break.

Best wishes,

Mr D Swanston

Headteacher
